AVENUE OF FLAGS, above, a section of U.S. 30 which is the main thoroughfare of New Lenox and is now bordered on both sides with the National Colors, was dedicated the afternoon of July 4. The ceremony was at the Lincoln-Way shopping center. Larry Wennlund, in photo at left, at the microphone, was the master of ceremonies. His father Don Wennlund, on ground extreme left, introduced Rabbi M.M. Hersman, of Joliet, who was the speaker. The New Lenox Lions Club spent \$5,000 for the flags and poles that line the highway. They turned them over to the Village of New Lenox, represented by Mayor Joseph Hartung, far left rear of the speaker's stand. Also on the stand were members of the Veterans of Foreign Wars, Larry Surges, president of the Lions, and Gary Orlor, president of the Association of Commerce. (GRAPHIC Photo)

Teachers Snub Pay Limits

By Bev Smutnak

CREST HILL - Chaney - Monge teachers voted unanimously to reject the two year time clause attached to their newly adopted salary schedule.

Rejection vote was disclosed in a letter to the school board from E. J. Sova, Monge teacher and president of CMTO (Chaney Monge Teacher Organization.) In the letter, CMTO charged the school board acted in bad faith when the board adopted the salary schedule and then in a surprise move attached a two year limit to the four per cent index.

CMTO and the school board negotiations team met for 30 meetings to arrive at the acceptable three by four index rate. Teachers say at no time was a mention of time limit made.

Teachers, who attended the board meetings recently in

representative numbers, were conspicuous by their absence Tuesday of last week. Only Mrs. Lois Morse, chairman of the CMTO negotiations committee, was present. She re-emphasized CMTO's position and said they refuse to recognize the two year time limit.

School board member Donald Randich, in answer to the charge of bad faith said, "If I had known this then, I would not have work-

ed for index." He told Mrs. Morse the teachers should have assumed the index would be in effect for more than one year.

Mrs. Morse told Randich, "Assumptions are not negotiations."

Randich said the negotiations team did what they thought was right. He urged the negotiations team next year to share expenses and purchase a tape recorder to record all future negotiations.

Mrs. Morse also told the school board they violated the professional agreement pact agreed to by CMTO and the school board. Pact called for no unilateral action by either side. School board took unilateral action and adopted the salary schedule, she said.

Salary schedules were announced for 1969-1970 for other school District 88 personnel. Superintendent A.L. Carpentier, \$16,250; Chaney School Principal Robert

Gaines and Monge School Principal Donald Weber, \$11,500 for 10 months; non-degree teachers, \$7,100, Monge secretary Dorothy Sprinkle, \$6,325 salary, three week summer vacation and holidays; Chaney secretary Ann Golob, \$3,454 for 10 months, Christmas vacation and holidays. Custodians were granted 25 cents per hour increase, School nurse will receive a \$5,000 salary.

Superintendent and custo-

dians receive full family insurance coverage. All other employees are to receive only employee insurance benefits.

Insurance rates are \$18.13 monthly per employee. District 88 will pay \$15 leaving the employee with a cost of \$3.13 per month. This is only for employee insurance. Cost of the family plan is \$31.23 monthly. Deduction of \$15 leaves \$16.23 payable by the employee for family benefits.

Mrs. Mary Piskur was hired as full time music teacher. She will begin at \$8,400 salary as per schedule and has five years' experience at Valley View. Mrs. Judith Dehm resigned. Clark Schiefen was hired to replace Mrs. Dehm as a language arts teacher at Monge.

Attorney Glenn Miller was rehired by the board and will be paid an \$1100 retainer.

Frankfort Reports Traffic Accidents

FRANKFORT - Three traffic accidents occurred in Frankfort July 2 but no one was seriously injured, and only one driver was ticketed.

The driver ticketed by Police Chief Ted Massey was Richard J. Lodewegen, 11629 84th Av., Tinley Park, who was driving one of the K & K Concrete Works vehicles.

He was charged with traveling too fast for conditions and improper passing.

The K & K truck had started to pass a dump truck loaded with stone and driven by Michael Subbert, of Frankfort, just as Subbert started to turn into the Wagon Wheel lot, according to the report.

The incident occurred at the intersection of U.S. 45 and Nebraska St. Chief Massey said the Subbert truck was overturned. The tractor of the K & K rig was damaged but neither driver was reported injured. This accident took place about 11:55 a.m.

About two and a half hours earlier Mrs. Bertha Klepper, Frankfort, was slightly injured when she applied pressure on the accelerator instead of the brake while at the Anderson Texaco station, U.S. 30 & 45.

in the station and Mrs. Klepper received a cut on her nose. She was taken to the Hedges Clinic.

Still earlier, about 7:05, Mrs. Barbara Putnam, coming out of the Methodist Church parking lot on Sauk Trail, reportedly hit a west bound pick-up truck driven by Paul Wirth of rural Frank-

fort.

Two of the boys of the bell ringing troupe that had given a performance the night before, were in Mrs. Putnam's car. No one was reported injured.

Chief Massey estimated the total property damage in the three accidents, at about \$10,000.

Bank Gives \$2,000 Scholarship Award

LOCKPORT -- The First National Bank of Lockport, as a part of the Pullman Banking Group Charitable Foundation, held its sixth

annual Scholarship Award Dinner recently.

Stephen Zager was a \$2,000 scholarship recipient. Micheal Walsh, commercial banking officer of the First National Bank of Lockport, made the presentation.

Stephen is a recent graduate of Lockport Central High School and plans to attend Knox College majoring in chemistry.

The foundation was first organized in 1963 and currently 16 students are receiving financial assistance from the program. Each year, the foundation awards four \$2,000 scholarships to students in southwest Chicago and suburbs. In addition to the annual scholarships the foundation also gives financial assistance to local charities and non-profit organizations seeking to improve community surroundings.

District 96 Board Hires New Teachers

ROMEOVILLE -- New teachers were hired for the upcoming school year by the Board of Education of School District 96 at their recent meeting.

New teachers include Mrs. Janet Trizna as consultant; Mrs. Judith Comerio for language arts at West View; Mrs. Kay Bergstrom and Mrs. Ina Long for first and second grades at Valley View; Miss Ann Jordan for fourth grade at Park View; and George Tazic for fourth grade at Brook View.

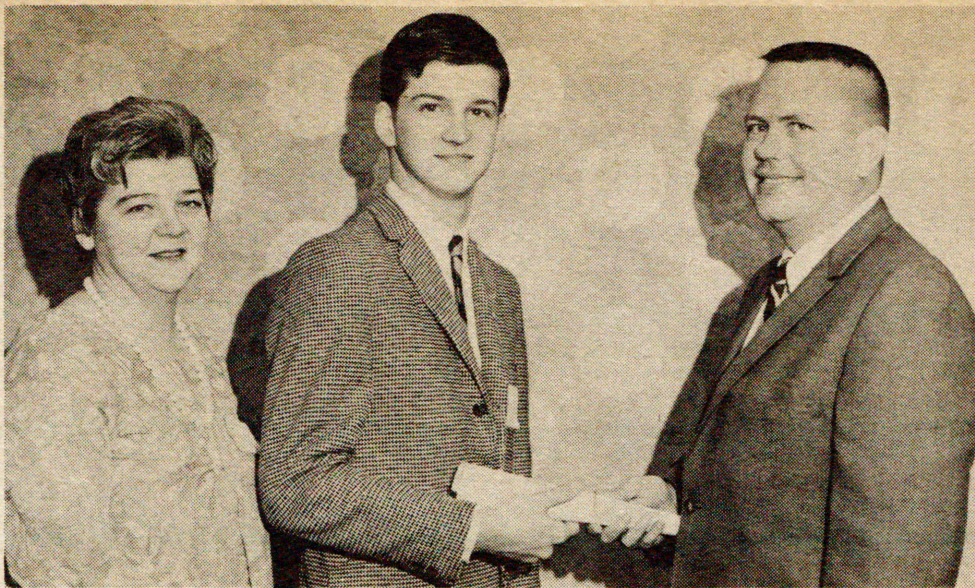

Ronald Petrinis was hired as intern principal for Park View School.

Extended leave of absence was granted to Mrs. Dorothy LeVee and Mrs. Jennie Penn.

Letters of resignation were received from Jack Rogers, Mrs. Eugenia Bank and Mrs. Carol Mandell.

High School Meeting Set

LOCKPORT -- The District 205 High School board will meet Thursday, July 10, at 7:30 p.m. at West High.

STEPHEN ZAGER, center, receives a scholarship from the First National Bank of Lockport from Micheal Walsh, commercial banking officer. Mrs. George P. Zager was with her son at a recent dinner which was the occasion for award of the \$2,000 scholarship.

Registration Dates Set At N. Lenox

NEW LENOX - Registration for students who will be attending New Lenox School District 122 for the 1969-70 school year will be held Aug. 4, 5, 6, 7, and 8 from 8:30

a.m. to 2:30 p.m. at the Oakview School.

Registration fees for grades 1-5 will be \$10.00 for book rental and \$7.25 for milk for the entire year.

A student insurance policy will be available for \$2 and "Around the Clock" insurance will be \$15 Junior High registration fees will be \$16.25, plus insurance.

Students in grades three thru eight are required to have school dictionaries. These may be purchased for \$3.75 at the time of registration.

Two hundred eighteen kindergarten youngsters have enrolled for classes to date

this year. "If your child is eligible but has not been registered, please contact the Oakview School office by calling 485-2169," Supt. Arnold Tyler tells parents.

Any new students living in the district who plan to attend school in the fall should also inform the school office so their names can be put on the current rosters.

It is extremely important, Supt. Tyler said, that every effort be made to enroll children during registration week. Late date registrations impose tremendous difficulty and extra work on the part of the school administration, he said.

Members Change Meetings

LOCKPORT -- Members of the board of School District 205 voted at their last meeting to conduct only one board meeting in November and December.

Board members voted that November's meeting would be held on the second Thursday, as well as the December meeting. The meeting schedule will remain the second and fourth Thursday for the balance of the year.

Resignations were accepted from Gerald Eskoff, boys' physical education teacher at West, and Mary A. Peterson, mathematics at West.

Police Chief Is Told He Must Name 'Catcher'

By Bev Smutnak

CREST HILL -- Mayor Frank Berta ordered Police Chief Joe Eaker to appoint one policeman as city dog warden for Crest Hill.

Order came on the heels of a discussion by the city council in which the council took no action to solve the dog problem in the city or to hire a dog warden.

Crest Hill, with a population of over 6,700, has only 54 dogs registered in the entire city. Yet the problem of stray dogs plagues the council.

Mayor Berta said the problem is worse and packs of stray dogs around playgrounds and schools is a dangerous situation. He said he received several com-

plaints.

Police officers who in the past have rounded up the stray animals are reluctant to perform the job. They say they have neither proper equipment nor training to handle the job and when capturing the animals have had their uniforms damaged.

Council did discuss a move to advertise for a dog warden for \$150 per month. Warden would furnish truck, pound, and food. Since council felt any response would be nil to such offer no action was taken.

Mayor Berta issued the order to Chief Eaker with instructions to the department to ticket owners of any loose dogs. He also told the police to begin a crackdown on cars without city stickers.

White Eagle Club Honors Steven Kras

LEMONT -- White Eagle Social Club honored Steven Kras, treasurer, for 18 years of service from 1951 to 1969, at a party held June 21 in the club rooms. Toastmaster for the evening was

Peter Kluge, president.

Presentation of the award for years of service was made by Kluge. In behalf of the club, Kluge expressed his "thanks for the work well done as treasurer."

Kras has owned and operated of the Lemont Bakery on Main St. for the past 28 years.

Among the officers present, in addition to Mr. and Mrs. Kluge, were Mr.

and Mrs. John Wojciechowski, vice-president; Mr. and Mrs. Sam Kedzorski, second vice-president; Frank Wojnowski, sergeant-at-arms; and Louis Hornacki, supervising committee.

Other guests present included Mr. and Mrs. Edwin Kras, Mr. and Mrs. Elmer Novak, Mr. and Mrs. Ben Bush, M.C. Sniogowski, Cus Przybiaz, Mr. and Mrs. Walter Slabozewski, and Mr. and Mrs. Michael Kendzierski, who was appointed to fill the treasury vacancy.

Table decorations were prepared by Juline Kluge and Irene Slabozewski. The dinner was prepared and served by Alice Novak and Mrs. Slabozewski. Music was provided by Michael Orchestra.

Ice Cream Social Set

LOCKPORT--St. Dennis-St. Joseph band parents will hold their annual ice cream social Sunday, July 13, from 2 to 5 p.m. in St. Dennis church hall.

Band students will sell tickets at 50 cents each all week and after all masses at both St. Dennis and St. Joseph church July 13. Tickets will also be sold at the door.

Homeowners To Probe Landfill

LEMONT--Residents of Lemont and the surrounding area are invited to a meeting of the Acorn Ridge Homeowners at 7:30 p.m., July 10 at Acorn Ridge Park. Purpose of the meeting is to discuss the proposed landfill at Mt. Vernon Cemetery.

Homeowners in the area will discuss the project, which has been proposed by the Metropolitan Disposal Company of Chicago.

The fill is proposed for a 65-acre site to the rear of

Mt. Vernon Cemetery, which is located at Hwy. 171 and McCarthy Rd., Lemont Township.

Public hearing on the matter was held March 17 in the village hall. Area residents at that time expressed a negative attitude toward the project.

All residents with views and opinions are invited to attend the meeting. A second continuation of the hearing will be held sometime during September, the exact date to be announced.

PETER KLUGE, toastmaster, present a plaque for fine work done and outstanding service to Steven Kras, as his wife looks on. The award was given by the White Eagle Social Club.

'I'll Work Hard': 205 Chief

LOCKPORT -- Harold Scholle, newly appointed superintendent of District 205, thanked the board at the June meeting for putting their faith in him.

Scholle said, "I will work hard to exceed your expectations." An administrator cannot do the job by himself said Scholle. He needs the talent, time and efforts of all on a cooperative basis,

he noted.

Scholle says he has 20 years' experience but noted that training and experience are of little value by themselves; it is up to the person to use them.

Professional educators may consult the executive office. Residents, who have student problems, should first contact their principals, then the superintendent and as

a last resort, the board of education.

Residents wishing information have representatives in the various areas. Tom Wilson is chairman for Bolingbrook and Romeoville, Joan Straka for Homer; Bill Walden for Lockport city and Fairmont, and Felix Borio for Crest Hill.

Scholle emphasized the low 90 cent educational tax rate

which is the state minimum rate. This rate must be increased by referendum this fall stressed Scholle.

He asked the press to find out all details and "tell it like it is."

Approved school clubs were clarified. West Booster Club, the controversial issue in the last board session, will be recognized as an official school club.

John Lane, Booster Club chairman, will be paid \$200 for his duties the past year. Superintendent Scholle said Lane got into a position beyond his control and felt he should be paid. "Set the record straight now" commented Scholle. All approved clubs will be posted.

Lane commented that his principal said it would be taken care of when he found

out the club was not on the list. Principal kept telling him, "Don't worry about it." As a result, the issue was not resolved.

Walden asked Lane who was contacted. Lane said, "My principal." Walden replied, "You teach at West High, don't you?"

Special Assessment Hearing In August

MOKENA -- Hearing on the special assessment matter concerning water and sewer installations on Scott St. in Mokena, will be held in August.

Village Attorney George E. Sangmeister said the exact date has not been set but the hearing will be sometime next month.

At that time any objections to assessments may be raised. The court hearing is not concerned as to whether a property owner likes the idea or doesn't like it.

People have an opportunity to voice protests at the hearing before the board of local improvements.

George Barber of Milford Engineering, village engineers for Mokena, has been named commissioner and has spread the assessments for the work to be done based

on the engineers' estimate. The estimate for the improvement is \$45,226.70.

That will be spread over the properties to be served along Scott St., which was annexed recently to the village.

As a rule special assessments are paid off over a period of time, usually 10 years. They are a lien on the property benefitted.

However, there have been instances when the money is placed in escrow and is paid to the contractor after the job has been completed to the satisfaction of the village engineer and officials.

That, it was pointed out, is the best arrangement because there is no interest to pay and the contractor can give a better price because he doesn't have to discount any bonds.

Paying Taxes Under Protest? Then Hurry

JOLIET -- Will County taxpayers wishing to pay their 1968 taxes under protest must do so between July 7 and July 17, reminds Will County Treasurer Clarence Lipman.

Lipman explains there is a legal procedure to follow if the taxpayer is not satisfied that the township assessor fairly assessed his property.

Between July 7 and July 17 the taxpayer must appear at the county treasurer's office with his tax bill and the accompanying two record cards. He should indicate to the clerk that he is paying his taxes under protest.

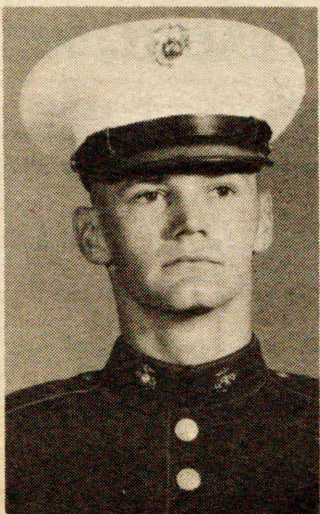

"My clerk will give the

taxpayer a form to complete and indicate on the bill that the taxes are being paid under protest," according to Lipman.

The taxpayer then must present the form, the total tax payment and the tax bill to the cashier in Lipman's office. The cashier will give the taxpayer a receipt and instruct him to take the receipt to the Board of Review, which is in Room 205, on the same floor as the treasurer's office.

He adds that his office is just the collection agency for the taxes and has nothing to do with establishing the tax rates or assessing the property.

Heroism Gains Medal

JIMMIE MEYER

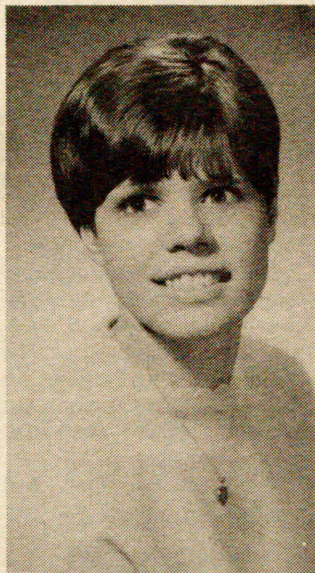

LOCKPORT -- Lance Corporal William J. Meyer recently received the Navy commendation medal with combat "V" while serving with the 1st Marine Division in Viet Nam. He was wounded Feb. 23 in the Quang Nam Province.

His medal from the U.S. Marine Corps. is in recognition of heroic achievement in connection with the operations against the Viet Cong. Meyer served as a radio operator.

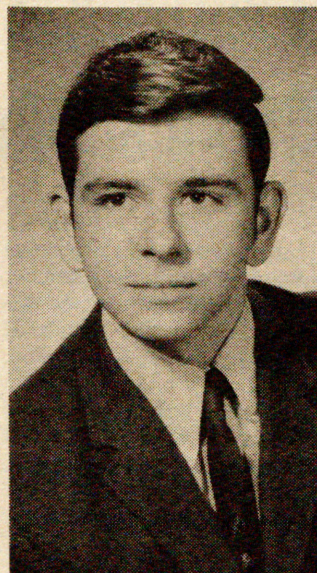

Meyer helped rescue a mortally wounded Marine close to the enemy line. He

advanced under a heavy volume of hostile fire and used hand grenades until he and his men reached cover of a trench where they employed a flare to locate the wounded Marine. He continued to provide covering fire while his comrades rescued the wounded man.

Meyer was sent back to Great Lakes Naval Hospital for treatment and has recently been discharged. He is the son of Mr. and Mrs. Harold Moe, 139th St. and Oak Ave. He is now working for United Airlines at O'Hare field.

4 Students Merit Recognition

LEMONT -- Three Lemont organizations have awarded scholarships to Lemont Township High School graduates in recognition of their scholarship and citizenship.

The awards are from \$50 to \$100. The awards are a token of appreciation expressed by the organizations for the young people of Lemont and for the citizenship as typified by the recipients.

The Lemont Boosters Club provides two awards, one to a boy, one to a girl, based upon scholarship, citizenship, participation, and financial need.

The winners received their awards at the annual athletic banquet. They are Miss Nancy Crooks and Kenneth Novak. Nancy has been active in Girls Athletic Association and debate, and will attend Illinois State University in the fall. Ken has lettered in varsity sports and participated in debate. He plans to attend Millikin University.

The Lemont Jaycette Award is based upon scholarship, citizenship, and participation. The award is to Miss Mary Sniegowski, daughter of Mr. and Mrs.

Joseph Sniegowski of 807 McCarthy Rd.

Mary served as an officer of the National Honor Society, participated in GAA and worked as an office receptionist. She plans to attend Wisconsin State University at Whitewater.

Fact Finders Committee Reveals Little To Public

By LOUISE SCHALLER
ROMEORVILLE--A fact finders' report was read at a special adjourned meeting of District 96 school board. Dr. Robert Coughlan, who read the report, did not divulge the teacher salary schedule.

Among other findings, the group has concluded that the school district will have 5,700 students by September of 1970 and 15,000 by 1980.

Assessed valuation of the district in 1955 was \$30,248,256 compared to \$160 million in 1969.

The fact finders committee recommended the board hold a referendum in the fall to increase the educational rate by 21 cents. The raise would be from \$1.49 to \$1.70. Also recommended was an increase in the building rate by 12.5 cents.

Salaries will be over \$2 million this coming year.

John Temple, president of the teachers' assoc., was asked by Bruce Webster, board president, if he had any comments. Temple said, "We should consider carefully before any decision is made."

The board then split into two groups to hold a 15 minute caucus. They then went into a joint executive session for one hour and 50 minutes.

The Methodist Men's Club bases its scholarship upon participation in church activities and Christian character, as well as citizenship and vocational plans. This year's award went to Miss Susan West, daughter of Mr. and Mrs. Steven West

of 700 State St., Lemont.

Sue was active in GAA and band, was a cheerleader, sang in the church choir, was active in the Methodist Youth Fellowship, and helped in the Sunday School. She will attend Illinois State University.

Upon returning, Webster announced the fact finders' report was made by Dr. Clyde Parker of Lincoln Wood, Dr. Thomas Vickery of Northwestern University, and Dr. Coughlan. He said it would be taken under advisement by the board and teachers.

No information is available

for the public at this time.

The board is to meet with Sid Nyman, president of Robert Regan Construction Co., on the completion date of Ridge View School. No firm commitments have been made but Nyman is confident the school will be ready by Sept. 1, barring any labor shortages.

Trustees Deny Legal Payment

By Louise Schaller
ROMEORVILLE -- Village trustees voted three to one to deny payment of legal fees for former trustee George Ketchmark, who was the defendant in a suit brought by former police chief Michael Maher.

Richard Buck, village attorney, advised board members that due to the failure of the previous board to bring the matter to a vote, the present officials are unable to authorize payment.

Mark Lovejoy, engineer, will take bids on the construction work on Naperville Rd. and on village street repairs. Bids for blacktopping and salt will be opened July 16 at 10 a.m.

Motor fuel tax funds can

be used to pave the road to Lake Shirley. The area must be surveyed, plated and dedicated before work begins.

A request from Howard Wright of LaGrange to establish a bakery route in Romeoville was referred to the ordinance committee.

License committee members are working on an overnight parking permit. Many residents do not have enough space on their driveways for all their vehicles.

A tax levy appropriation ordinance was read. Copies are available to the public. Requests should be made to the village clerk.

Next meeting will be Wednesday, July 16, at 7:30 p.m. in the Civic Center.

Romeoville Man Serves Term

ROMEOVILLE -- Chicago circuit court sentenced a Romeoville man Tuesday, July 1, to serve three to six years in prison for armed robbery of a Mt. Prospect jewelry store Feb. 21. Murder charge against him was dropped.

Sentenced is Arnold Vitek, 31, of 715 Eastern Ave. He was indicted April 28 along with Allison Huffman for the slaying of their partner, Vito Simone. The man was slain the day after the jewelry store was robbed of \$12,000. Huffman fled from the state and is still at large.

According to Vitek, Huffman and Simone quarreled while he was driving and then Huffman shot Simone.

Simone, 44, of Chicago was found fatally shot in an alley on the northwest side of the city. Vitek gave himself up two days later and admitted taking part in the shooting.

After the state's attorney

office learned that Vitek was not involved in the quarrel, the murder charge was dropped.

Register At Walsh

LOCKPORT -- Paul H. Montgomery, principal of Walsh School, in district 92, requests parents to register any pupil of any grade level who has not previously attended Walsh School.

He requests that registration be made during the summer, at the school, which is open from 8 a.m. until 3 p.m. Monday through Thursday.

Students entering first grade must have a state certified birth certificate, not a hospital record.

To be eligible to enter first grade, a child must be six years of age on or before Dec. 1.

Police Chief Pledges Cooperation

LEMONT -- "Cooperation will be the motto of my department," stated newly appointed police chief of Lemont Frank Sowa, who officially took office on July 1.

Sowa, 1037 Kim Pl., has resided in Lemont since 1958, coming from Chicago. He has served on the Lemont Police Department since 1960, when he joined the force as a patrolman. In 1963

he was promoted to the rank of captain, which he held until his present appointment. In 1967 he was also appointed as juvenile officer for the village, and has served with the Illinois Youth Commission.

When asked about his full-time police job, Sowa replied, "I will devote all of my time to police work and juvenile work." He has spec-

ialized mostly in criminal investigating.

He is a member of the Will County Police Administration, and the Cook County Sheriff's Police Department. Sowa has appeared in various courts and has studied the workings of the law. He feels that "experience has been the best teacher in my job."

Sowa heads a department

consisting of eight full-time policemen, four part-time men, four full-time radio operators, a relief operator, five full-time crossing guards and two relief guards.

When asked what changes would be made in his department, the chief replied, "New administration will be listed under the category of protection and service. The police department service will be based on courtesy and dedication to the community. The law will be enforced and no partiality will be shown to anyone. All instructions will be carried out."

Chief Sowa also went on to say that "if a resident gets a ticket my answer is that everyone will have their day in court. What is fair for one is fair for everyone. Cooperation will be made all the way around."

Sowa resides with his wife, Mary, and two daughters, Connie Koopman, a registered nurse, and Reggis, 19, who will graduate in August as a legal secretary, and is presently employed by the Department of Justice.

Central-East Band Opens Summer Concerts In Canada

LOCKPORT-- Lockport Central-East High School Band opened the summer concerts recently in the Kiwanis Memorial Bandshell in Victoria Park, London, Ontario. While in London they were hosts of the Lord Mayor at dinner in the grand ballroom of the motel where the band stayed. They were guests of the city Sunday afternoon at the Springbank Amusement Park.

Invitation was handled through the Honorable Martin Bounty, a member of the American Bandmasters Association. Comments heard throughout the crowd were "tremendous," "what a magnificent job," "marvelous performance." Bounty said, "The greatest compliment of all was the people came and stayed even though it was cold. I promise the next time you come, and I hope that is soon, we'll have warmer weather."

Director Ernest Caneva and his assistants, along with chaperones, were invited to the mayor's office Monday and presented with historic china plates and

complimented on the fine behavior of the young people.

The Band left London at noon and arrived at Galt, Ontario that afternoon. They were dinner guests of the Wesley Church choir and again were complimented on the "well mannered, polite young people".

That evening the band presented a concert in the

bandshell of Victoria Park and were introduced by Captain James Gayfer. Again the band was praised. They were given a standing ovation at the end of their performance.

That evening they arrived at Niagara Falls, Ontario, Canada, and saw the falls.

The next day they left for home.

Tiny Umbrellas Block Blood Clots

Copyright 1969 World Book Science Service

Blood clots can form almost anywhere in the body, but most occur somewhere below the midriff.

Often, they remain in the same location for years, attached to or blocking a minor blood vessel, and go undetected unless they become detached and cause trouble elsewhere.

Clots may also form at the site of an injury or a surgical procedure and move through the blood vessels to the lungs, brain or heart. A large clot which reaches these areas is usually fatal.

What's New In Medicine

BY BETTY JOHN

Doctors who have relied upon heparin, urokinase or even high-risk surgical removal of clots were recently introduced to a startlingly clever new way to prevent those from the lower part of

the body ever reaching a vital organ.

Pakistan-born Dr. Kazi Mobin-Uddin, now at Jackson Memorial Hospital in Miami has developed a miniature perforated plastic "umbrella" that can be positioned in a blood vessel between the clot and the organ for which it is headed, all without resorting to surgery.

The medical instrumentation division of the University of Miami builds the little vein-wide umbrellas to Dr. Mobin-Uddin's specifications out of plastic supplied by Dow - Corning that is bonded with heparin from the Battelle Memorial Institute of Columbus, Ohio.

The little ribs, which open like an ordinary umbrella, are made of stainless steel alloy developed by Elgiloy Co.

Under local anesthesia, Dr. Mobin-Uddin and his team insert the tiny umbrella, tightly folded and screwed to the end of a wire inside a catheter, into the jugular vein of the patient.

Then under the fluoroscope, they thread the catheter through large veins to a point below the renal (kidney) veins. Here, they deposit the umbrella which pops open, fixing the ends of its six ribs in the wall of the blood vessel.

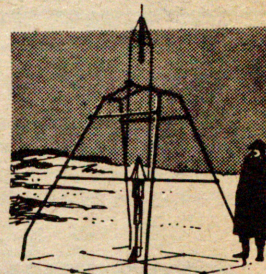

By unscrewing the wire attachment and withdrawing the catheter, they can leave the device in place to prevent any further movement of the clot while they treat it medically with heparin to dissolve it.

Dr. Mobin-Uddin has implanted these umbrellas in 33 embolism patients with complete success after many years of animal experimentation. "The beauty of the procedure," he says, "is that it can be used safely on very sick people with no surgery involved."

SWIFTER TESTING — Researchers at Michigan State University are developing a fast and sure test for TB. They have discovered an antigenic component of the TB bacillus which, when injected under the skin of rabbits, causes a local reaction only if the rabbits are infected with TB.

Clue to Life In Space

Copyright 1969 World Book Science Service

Scientists have just discovered that there's formaldehyde in the dust and gases in space.

Formaldehyde is a substance that is widely used on Earth to preserve things. So far, it is the most complex molecule ever discovered in space.

Until about 1930, scientists didn't really know that anything was out there in "empty" space. That's when they found out that there was dust between the stars.

Since then, radar technology has improved tremendously and scientists are beginning to find out just what the dust is made of and what's mixed in with it.

Electrons, those tiniest of all charged particles, are always circulating in matter and giving off electro-magnetic radiation such as radio waves or light as they change orbits.

Scientists now have some amazing gadgets that can pick up these signals. The signals from different substances show up as different "lines" or frequencies of signals.

This allowed scientists to prove formaldehyde is present in space.

The discovery tells us something about the origin of life on Earth. It is now generally agreed that life forms could develop from certain fairly simple chemicals.

The presence of formaldehyde in space is a hint that other chemicals might have occurred naturally and then combined to form living cells.

Here's a puzzle that's a little like sorting out chemicals in the gases in space. Find 15 words of six or more letters in the mass of letters.

ANSWERS: hydrogen, oxygen, complex, molecule, electron, substance, presence, radiation, signal, physicist, astronomer, formaldehyde, technology, origin, gadget.

Open Letter from the HIRSCHS'

Dear friends,

All cards accompanying floral offerings are carefully preserved at our funeral home and later given to the family for acknowledgment.

We also provide engraved acknowledgment cards for those who desire them.

This added service, we believe, is appreciated and it is a detail that we regard as very important.

Respectfully,

Board Ok's Resignation

BOLINGBROOK -- Resignation of Robert A. Noethen,

member of the Bolingbrook Planning Commission, was submitted to the board of trustees at its June 11 meeting.

In his letter to the board

Noethen stated, "My occupation and closed alliance to some of the developers in this area places me in a position that might cause people to consider it a conflict

of interest. It is my intent to pursue my profession to aid both myself and my employer whenever and wherever possible in landscape construction."

Bee Battling Another Task for Library Staff

Katharine Heisner
Telephone 479-9321

MOKENA -- Library work isn't all talk and cataloging. At Mokena one can add bee battling.

The Mokena public library is housed in the basement of what was formerly a church. The first or main floor is to be remodeled and used for a village hall. There are also some other tenants in the building -- a hive, bunch, flock, pride, gaggle or what you care to call it, of bees. They have no lease. They pay no rent but for weeks now they have kept library workers and patrons dodging.

If the blighters would just come out and swarm they would save their lives because bees that swarm can be captured and put in a hive. With the creatures having holed up in the north wall of the building the only way to get rid of them, it was said, is by extermination.

Lyman Anfield, of Tinley Park, who keeps bees, squirted some kind of spray into the hole the bees have been using for a door. Another hole which gave them access to the library has been plugged up. This spraying treatment must be done daily, for a period, Anfield said, and Thomas Deeb has volunteered to serve as auxiliary sprayer.

Anfield said that when the bees are all dead the place will be invaded by robber bees, who will carry out the honey. Then the thing to do, Anfield added, is plug up the wall.

As of late last week there were still quite a few live ones at hand.

OPINION PAGE

State Objection To Fence Ordinance

Dear Editor:

How well do the residents know Frankfort? Do they know that--if they are planning to build a fence anywhere on their property, they first must have a building permit? Do they know that fences in Frankfort can only be five-feet tall, and must be inspected by the building inspector? I was told the reason for this is that one must be able to see over the fence.

Can you see over your fence? Have you measured your fence lately? There is so much concern over the height of a fence, yet complete disregard for the lives of Frankfort residents.

Have you ever driven down Ash Street, going north from Nebraska St. to Kanasa St. If not, you

have really missed something, especially in the evening hours. It is like an at an angle on the south-side of the street protrude so far out into Kansas St. that you are taking your life in your hands when attempting to turn corner.

But the life you save may be your own. It is far most important to see over your neighbors fence then around a corner.

During the school term we have yet another obstical course. The busy corner of Nebraska and White Streets becomes a real hazard. Buses attempting to park in the parking lot pull into and back out of Nebraska St., sometimes it takes obstical course.

First on the corner of Ash and Kansas Streets is a

beautiful obstruction in the middle of the street. You must either go to the right or left of this to make a turn on to Kansas St. The cars and trucks parked three of four attempts before the bus in finally out of the street and parked. Yet, if you or I were to do the same thing we would get a warning or mabe a ticket for obstructing traffic.

Then there are the drivers who, when mailing letters in the outdoor mail box, cut across oncoming traffic and pull up on the wrong side of the street, facing the wrong way, to drop their letters in the box. This driver then cuts across the traffic again to go on his merry way. This too is not important, it's only your life or that of a friend that is in danger of being cut short.

I have been told that I live in a residential neighborhood. There is a factory across the street and a truck route running up and down Pacific St. and Maple St. the fact that you are waken up every time a truck turns the corner going east on Pacific and guns the motor to go up the little incline, it's ok. . . no one told you about the trucks before you bought your house, to say nothing about the dust from the traffic. Three years ago I was told that the trucks would be gone in a year, instead they get bigger and noiser as time goes by. But, then I am proud that I live in a residential neighborhood.

By the way, do the dogs run loose in the streets? Neighbors love other dogs doing their duty in their yards and then run home to rest. Maybe on the way, scare or bite little children at play. But this too is not important, the only important thing is to be able to see over your neighbors fence.

This letter is not meant to criticize the police department, for they do not make the laws, they only try to enforce them. I think they do a good job. There are a lot less dogs running the streets now, thanks to the chief of police.

Sincerely,
Mrs. Marie Guth,
253 Maple St.,
Frankfort.

Sincerely,
Gertrude Sprague

Thank You

Dear Editor:

My term as publicity chairman for the Lockport Business and Professional Women's Club is now over, and I want to thank both of you and the Lockport Herald for the splendid news coverage we received.

Oftentimes I was unable to write a news article in time for the weekly publication because I was unable to secure the news in time -- but regardless, I do want you both to know how much I appreciated your help in making this first venture in writing publicity so enjoyable.

Oppose Landfill

Dear Editor:

As a resident of the area surrounding the proposed Mt. Vernon landfill site, and a taxpayer, I would like to bring some facts to the attention of your paper and my fellow taxpayers.

First of all, Mt. Vernon Memorial Hills is a tax exempt corporation, meaning that they stand to make a great deal of money from this project, plus improve that property by eliminating 65-acres of unusable property, yet they do not pay their share of real estate tax towards our schools and our township. To those of us who received a substantial tax increase this past year, this is a very sore spot.

Secondly, the trucks that will be hauling this garbage will be loaded to the maximum and will be doing

Bumper Crop

CHICAGO -- County Clerk Edward J. Barrett reported a bumper crop of marriage licenses had been issued in the month of June.

With 6,170 licenses issued, Barrett said that this was the highest number of licenses issued since June of 1949, when 6,298 were written.

I SAVED YOU AGAIN

Erlenborn Reports

Present Airport's Inadequate

We who live in the Chicago area are cognizant of the inadequacy of our present airports. O'Hare International Airport was built only a few years ago, and the people who designed it believed they were working with an eye to the future.

They may be pardoned, it seems to me, for not foreseeing that airline passenger trips would triple in the de-

cade from 1958 to 1968, that flights by private and company-owned planes would double, and that the use of air freight would go up 400 per cent.

Obviously, Chicago needs more airport capacity; and the traffic, parking and noise conditions at O'Hare being what they are, it seems likely that the added capacity ought to be somewhere else. Nor is this problem peculiar to

Chicago. O'Hare is reputed to be the busiest airport, but others are busy also -- much too busy.

The Administration has proposed a constructive program for improving airports and airways. President Nixon has asked for a pay-as-we-go program which will be paid for by airport users, not by the general public. There is no painless way of paying for the facilities, and I view the Nixon proposals as being as nearly fair as we are likely to find.

Existing taxes paid on airline tickets and on airplane fuel yield about \$295 million a year. Administration program would life this to an estimated \$569 million.

This is quite a shift, but there is another and bigger change in the President's plan. Airport users have been paying \$295 million, and the money has been going into the treasury general fund. The airports and airways, however, have been recovering only about \$75 million of this.

Administration proposes that we create an account in the nature of the Highway Trust Fund into which the air taxes would go and from which airport and airways costs would be paid.

The plan also has a section called "Improving the Environment of Transportation." This means an effort to cut the noise, to improve the planning, and to speed up the ground transportation to and from airports.

We expect that the past decade's rate of growth will continue through the 1970's. We must act now; and if we do not act, we must resign ourselves to congestions and inadequate facilities -- and to a less safe air transport system.

Plan Legislation To Stop Formation Of Junk Yards

CHICAGO -- Cook County Commissioner Floyd T. Fulle recently proposed sweeping new legislation to stop the unincorporated county area from becoming a virtual junk yard.

The Des Plaines Republican announced that he will present to the county board an ordinance providing for a "swift and effective" crack-down on nuisances that create blight.

"The unincorporated area of Cook county has literally become a junk yard--a dumping place for wrecked cars, dead animals, and other nuisances that are ruining the suburban area," he said.

Noting that the suburban commissioners receive hundreds of complaints from residents each year, Fulle said, "Action must be taken to remedy this problem before it becomes uncontroll-

able."

"I am proposing an ordinance that will attack this cancer--at no cost to the taxpayers. It will hold property owners responsible for any nuisances on their land and prohibit such things as dead animals, garbage, stagnant water, weeds, water and air pollution, abandoned wells, rubbish, and wrecked autos."

Fulle explained that the county would notify the property owner to correct the nuisance. If he fails to act, the county would remove the nuisance.

"If the owner refuses to pay the costs of abatement, a lien would be placed on the property so that the costs would be recovered at a later date. In addition, the property owners would be subject to a fine from \$10 to \$500," Fulle declared.

Across The Editor's Desk

By Ann Karkut

VIRGINIA BEACH, VA., here comes Lockport District and chaperones to see how well they fare against high school competition. Results were more than good especially since our drum major, John Popp, walked off with the outstanding drum major award. John had been a drum major for one year and is a 1969 graduate of Walsh School and will attend Lockport East High School this fall.

There were just three Illinois bands competing in this annual music festival and one of them emerged a trophy winner. Hinsdale High School received the third place trophy. Other competing band was Plainfield High School.

John not only surprised his parents, band members and chaperones but his dynamic band director, Jack Williamson, as well.

Virginians were amazed to learn that the youngsters ranged from age 10 to 14, fifth thru eighth grade. They just couldn't believe youngsters could be so talented at such a tender age.

Virginians are a friendly group of people and Lockport made many friends while down there.

Chaperones are to be commended for taking such good care of their charges -- I'm sure some of the discipline was more strict than at home but, after all, these youngsters have learned how to get along and respond to orders.

You can send any Lockport band on a trip and you can be assured that the chaperones will do their job.

While practicing on the grounds of Murphy's Emerald Isle Motel, a high school band director came up to watch their maneuvers and listen to them play. Grapevine talk was that several band directors were worried about this grade school band taking some honors away from them.

When the band played its concert in the First Colonial High School, several high school band directors told the lady chaperones that if your grade school bands sound like this one, "don't send your high school here."

Ask the three bus drivers from the La Grange Park Transit Lines, Bill Wanda of Lockport, "Charley" William Brown of Brookfield and "Pineapple" Joe Carino from Villa Park how these youngsters behaved. They highly commended the group and said they enjoyed taking part in this trip.

Comments were most favorable as to the conduct of our Lockport youngsters. I'm sure the same motel would have us all back again. Mr. Murphy, proprietor, told me, "I can go to bed at night when you people do, that's more than I can say for some of our own people who only come from 100 miles or so away."

It costs a great deal to take these youngsters on such a trip and without the help of all Lockporters and relatives who buy tickets, candy, etc. all efforts of well-meaning band directors and band parents would go down the drain. It takes real teamwork to put a show on the road.

West Schedule Is Modified

LOCKPORT -- Schedules at Lockport West High this fall will be on the modified "A" plan reported Harold Scholle, superintendent, at a recent June meeting.

Sophomores will attend from 7 a.m. to 12 noon; freshmen from 12 noon to 5 p.m., but those taking band or chorus will come in at 10 a.m.; and juniors and seniors have a full day from 8 a.m. to 3 p.m.

Only extra-curricular classes for freshmen will be band or chorus.

Schedules are not completely worked out yet said Scholle and it is not an easy task with 2100 students utilizing the building.

Special education amendment to allow a seven out of nine majority vote was approved.

Special ed department has been notified to vacate an office for the guidance department this fall. Board approved room modification with work to be done at the lowest possible cost. Title I office will also be moved down here so all district officers will be located in one vicinity.

District office reorganization was approved as recommended by Scholle. Actually only one additional director is needed for special and federal projects to relieve Mrs. Edna Breihan of administrative duties so she can concentrate as a reading director.

Eugene Higgins' title will be director of pupil personnel while Mel Smith, assistant superintendent now on sabbatical leave and returning this year, will be changed to director of business affairs.

Footballorama was approved for this fall. Scholle directed Bill Zimmer, football athletic director, to plan an additional spectator attraction. A football tourney will be set for Sept. 16 at the Joliet Stadium. Teams participating will be Lockport Central, Lockport West, Ottawa and Rich Central.

Receipts will be turned over to the athletic department to offset athletic program costs.

Host team will receive two-fifths of profits after expenses and other teams will receive one-fifth.

Tom Wilson, board member, didn't feel this was fair and that West High should be able to share equally in responsibilities.

Scholle said it was better to have one school take charge and perhaps rotate the event if it is successful.

Bill Brill, board president, said he is in favor of the event but does not like the contingency whereby the athletic director will use the funds to his liking. Scholle said he will control the money.

Request for an additional secretary for East High was tabled until the board can review the secretary status of the buildings.

Teacher salary schedules are almost completed said Steve Platko, personnel chairman. Some of the wording needs to be changed as advised by Attorneys John Ciricione and Anthony Scario. LTO bargaining agent representatives said they would rather wait and negotiate on the whole contract rather than have the board pass only the salary part of the contractual agreement.

Board Accepts Resignations

ROMEOVILLE-- Resignations were accepted from 23 teachers at the June meeting of District 96 school board. Board members said this is not unusual at this time. Last year 41 teachers had tendered their resignations.

Ridge View School will be ready by Aug. 15. Acoustical work will be done on West View Junior High gym this summer.

Sidewalks will be installed on Naperville Rd. with county approval. Area to be paved is from Beacon Ave. to Valley View School driveway.

Blacktopping is being studied. Bids will be sought on a three-quarter ton truck after a committee reviews the specifications.

Audrey Manley will return to North View School as assistant principal and Patsy Robb will be dean of girls at West View Junior High.

Home Mortgage Status Symbol?

The average dollar value per mortgage recorded in Will County jumped almost 200 per cent between 1960 and 1968, according to Will County Recorder of Deeds Kenneth George (R).

George said the average dollar value of mortgages recorded in 1960 was approximately \$7200, while the average dollar value during 1968 was more than \$20,000.

George attributed the increase to inflation, larger homes and increased willingness to assume larger mortgages.

"When I assumed office in 1966," George said, "it was unusual when a \$30,000 or \$40,000 mortgage was recorded. Today we have to record a \$50,000 or \$60,000 mortgage before we think of it as unusual."

George said inflation must be taken into consideration, but he does not think this is the primary cause for increased average dollar value per mortgage.

"I think the basic cause for the increase is that people are making more money and are more willing now than they were in 1960 to take on a larger financial burden for a longer period of time," the Will County Recorder said.

George estimated that the average real valuation of a home mortgaged in 1960 would almost be less than the average dollar value of a 1968 mortgage.

"Inflation, altho a minor factor, must be considered," he said. "The cost of building material has skyrocketed during the past decade, and so have labor costs."

The most rapid increase came during the second half of the nine-year period. During the first half the average mortgage increased by \$5337. The increase during the second half was \$7669.

Following is a listing by year of the average dollar value per mortgage:

1960, \$7156.05; 1961, \$11,320.57; 1962, \$9792.37; 1963, \$12,189.86; and 1964, \$12,493.31.

Also 1965, \$15,632.50; 1966, \$19,370.52; 1967, \$18,301.46; and 1969, \$20,161.52.

The number of mortgages recorded has remained static within a range from a low of 3,946 in 1966 to a high of 5,752 in 1960. The number of mortgages recorded in 1968 was 5,116.

Recorder Has Exhibit Of Ancient Documents

WILL COUNTY -- Moving into the new Will County Courthouse from the old courthouse proved bothersome to some office holders. But for Recorder of Deeds Kenneth George (R) it precipitated a find which will interest Will County history buffs.

While preparing his records for transfer to his new office, George discovered original land deeds dating back to 1836, when Will County was part of Cook County, and at least one document which George suspects was signed personally by U.S. President Franklin Pierce in 1854.

The oldest document is dated Feb. 9, 1836, and is a receipt to Samuel C. George for land which he purchased for \$1.25 an acre at the Chicago Land Office. The land he purchased is located in Wilmington Township. At that time, neither township government nor Will County were in existence.

"I really thought it a coincidence that we should find receipts from a man who shared my surname," George said, "even though he is not an ancestor of mine."

Curiosity prompted George to delve into his files to see what other interesting documents were filed among his records.

Among the instruments he

found are documents issued by Illinois Governor Joel A. Matteson, a Joliet native, on January 11, 1854, and documents signed by George Woodruff, Will County's first recorder of deeds. Some of the land deeds have been made out to soldiers.

"This raises the question in my mind as to whether these men received land as back payment of wages," George speculated.

George has discussed the documents with members of the Will County Historical Society to document their

authenticity. He has also contacted the Chicago Historical Society to verify several documents which he thought might have been signed personally by various Presidents.

"The Chicago Historical Society sent me copies of documents bearing signatures of the Presidents I thought might have signed these documents personally," George said. "The document with Franklin Pierce's signature looks as if it might be an original."

Historical Society Has A Publication

JOLIET-- Will County Historical Society has a publication for sale. It is "Gleanings and Biographies from the files of the Will County Historical Society." A limited number of copies will be for sale to the public at \$3.50; each. Send your money to "Gleanings and Biographies", c/o Will County Historical Society, 216 Sherman, Joliet, Ill. 60433.

All members of the Historical Society will receive a copy of the publication.

Inspiration for the publication developed through many

requests after articles from the organization's files were published daily throughout the sesquicentennial year. Material was researched and written by members of the Society under the direction of Mrs. R. J. Heck.

Beginning with the year 1674 the material sketches the history of the 24 Will County townships through 1918 with additional information of present day developments relative to various subjects. A biographical section completes the book.

Course titled, "supervisory round table", is designed to five supervisors a chance to hold round table discussions on management principles.

Area Boys Attend Week Scout Camp

SOUTHWEST - Robert McQueen, camping and activities chairman of the Rainbow Council, announced that 41 units from the Will, Grundy and Kankakee Counties have signed up for a week of camping at the new scout reservation near Morris.

Among the boys attending the camp from Lockport, Lemont, New Lenox, Mokena and Frankfort areas are members of Troops 22, 12, 49, 10 and 40.

The summer camp will operate for a six week period, closing Aug. 9. Each camp period begins at 2 p.m. on Sunday and closes following the noon barbecue on Saturday.

Off -Now On -That's County Radio Story

FRANKFORT--A couple of weeks ago the Village of Frankfort served notice on the Will County board to either get its radio equipment fixed so it didn't jam television for village residents or get the antennas off the water tower.

The village has served several such notices but without effect. The last one, however, was a bit different. If the work was not done by July 1, the power would be shut off.

July 1 came and the county's radios were still jamming. At 7 p.m. that evening TV screens in Frankfort suddenly were clear.

The same cannot be said for the radio that serves the sheriff's police. The dispatcher at the jail and the deputies in the squad car found they were talking to themselves. A "hello" stopped right in the middle, and that really seemed to sum up the situation.

A check revealed that the wires at the water tower in Frankfort had been disconnected and for the rest of the night messages were transmitted from car to car.

On Wednesday the village relented and Sheriff Martin Jackson sent out a radio repair man. Service was resumed about 10 a.m.

"I am going to get this

situation corrected," the sheriff said. "I have not heart of the Joliet police radio causing any trouble to TV viewers, nor have I heard of any trouble from that source in other communities. But I intend to get a man down from the company that makes these radios and have the equipment at Frankfort checked.

"If something is wrong that can be corrected it will

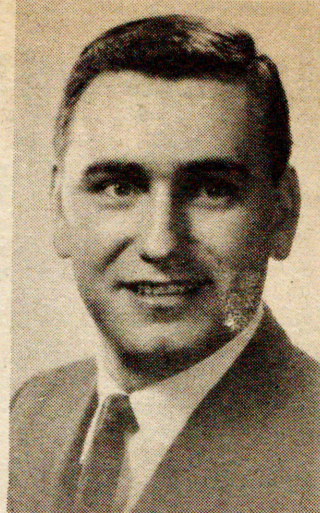

be corrected. I am sure we have no wish to prevent anyone at Frankfort from watching a ball game or their favorite programs. I can't imagine that something can't be done to remedy the situation and we'll do it."

There are two transmitters on the Frankfort water tower. One is for the county police radio. The other was installed as a civil defense

sort of thing that could carry warnings of tornados or other calamities. According to village officials this equipment now is used to transmit messages to county highway trucks.

If the county police radio isn't jamming TV, the sheriff said, it could be that the highway network is at fault.

Anyway, Frankfort officials have made their point.

DOUGLAS FISHER, is the new production superintendent of Mobile Chemical Co., plant at Frankfort, it was announced by Ray Wohlfert, plant manager. Fisher, who with his wife and son, resides at Park Forest, has been the plant's personnel manager. He assumed his new responsibilities July 1.

Civic Groups Hear Canal Purchase Talk

LEMONT -- Representatives from Lemont civic organizations attended a meeting held June 30 with the board of trustees to discuss the proposed purchase of the Illinois and Michigan Canal.

The canal acquisition report was presented by Robert Gorski, canal committee chairman, and Joseph A.

Schudt Jr., village engineer.

The report covered months of study by the canal committee who researched the financial and practical ends of the proposed purchase.

A question - answer period followed the talk. At this time organization representatives asked about the financial requirements and the effects of the purchase on the community residents.

Support for the proposed project will be given. Each representative will present the proposal to his organization, seeking their full support for the village undertaking.

Permit Dispute Appears To Be Heading For Court

MOKENA -- The controversy between the Mokena Village Board and contractor, Joseph DePaulo, who is erecting an apartment building on First St., appear to be heading for court.

Last week Mayor Will Tuttle received a letter from Attorney Thomas Powers, dated July 1, to the effect that if DePaulo was not permitted to resume work on the building by July 8, court action would follow.

Attorney Powers takes the position that the lot size and building plans and specifications are completely in conformance with those submitted by DePaulo when the building permit was issued.

Issuance of the permit was approval of the plans and lot size, he contends.

Mayor Tuttle said Thursday that the village will stand

pat on its decision to revoke the building permit and refuse to grant an occupancy permit.

Powers contends the building permit has not been revoked.

The permit was issued by the previous administration. Trustee Henry Clark who was in office then and was

building commissioner, contends DePaulo made a verbal agreement to provide the necessary parking spaces for apartment tenants by tearing down the house next door, which he also owns.

DePaulo denies having made such an agreement.

It was brought out at a recent village board meeting

that he had leased the house for a year.

According to village officials DePaulo was reportedly prepared to sign an agreement with the village under which the lease would continue to run for the year which would enable him to collect 10 months more of rent.

At the end of the lease,

the village says, he was to tear down the house to make room for parking. In the meantime he was to permit parking in the backyard of this house.

At the last meeting DePaulo told the board that on advice of his attorney he declined to sign the agreement. The board then took action to revoke the building permit

and an occupancy permit refused.

The village also contends that the lot on which the apartment building is erected fails to conform with the ordinance requiring 1,500 square feet of lot for each living unit but that if the house next door is razed there will be sufficient space for apartments and parking.

Canvass Votes Adopt Ordinance

LOCKPORT - The city council met in the council chambers June 24 to canvass votes from the recent \$750,000 sewer bond issue.

Ward one recorded 120 total votes, with 75 voting in favor of the issue and 45 against it.

In ward two, 240 votes were cast with 171 yes's and 33 no's.

One hundred twenty-seven votes were cast in ward three. Yes votes totaled 127, and no votes, 33.

The fourth ward recorded 100 votes, with 83 in favor of the sewer bond issue and 17 against the issue.

Total number of votes cast in all four wards was 584. Total "yes" votes totaled

Ranks Second

Illinois ranks second among larger states in the nation in student participation in driver education.

While 162,000 students in Illinois high schools are eligible, only 139,000 participate.

456, and "no" votes totaled 128.

City attorney Eugene Korst read the resolution for adoption of the ordinance and the council voted unanimously to adopt it.

Gordon McCluskey, director of public works, told the council of a meeting June 30. He stated that an open public meeting would

be held at 7:30 p.m. June 30 in the city hall.

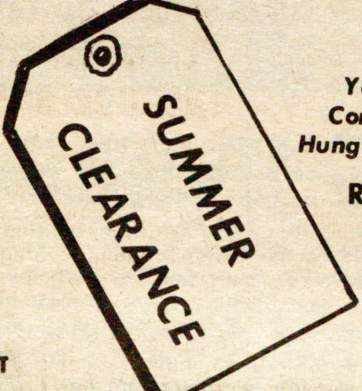

The meeting has been called by H.C. Lochner and Associates to discuss the Fox Valley Freeway. He reported that Lochner and Associates, who did the Joliet Area Transportation Study (JATS), is now working for the state to determine where, within the

four mile wide corridor, the center line is to be located.

He continued, "They have the contract west and north of FA61."

He also said that Howard, Needler, Tamen and Bergdorff, architects for the new Ninth St. bridge, may have a representative at the meeting, as they have the contract east of FA61.

Albers-Vance Vows Said at Immanuel Luth. Church

MOKENA -- Wedding vows were recited by Ellen Elizabeth Albers and James E. Vance at the Immanuel Lutheran Church at Mokena on June 21. The Rev. E. H. Albers, father of the bride performed the double ring ceremony uniting their daughter and the son of Mr. and Mrs. J. Thomas Vance of Louisville, Kentucky.

The organist was Oscar H. Albers, of Fort Wayne, Ind., uncle of the bride.

The bride was given in marriage by her father and wore a gown of silk shantung with a mock bolero of vienesse lace. She carried a bouquet of white orchids, carnations, pink rosebuds and baby breath.

Miss Lois Albers, sister of

the bride was maid of honor. Miss Christine Albers, Fort Wayne, Ind., cousin of the bride; Miss Mary Rosenow, Manistee, Mich., and Miss Joyce Miller, Indianapolis, Ind., were the bridesmaids.

Louis Vance, of Seymour, Ind., was his brother's best man. Groomsmen were Herbert Pinske, Peoria, Ill.; Henry Koehler, Oak Lawn,

Ill.; and Scott Sanderson, Merrill, Wis.

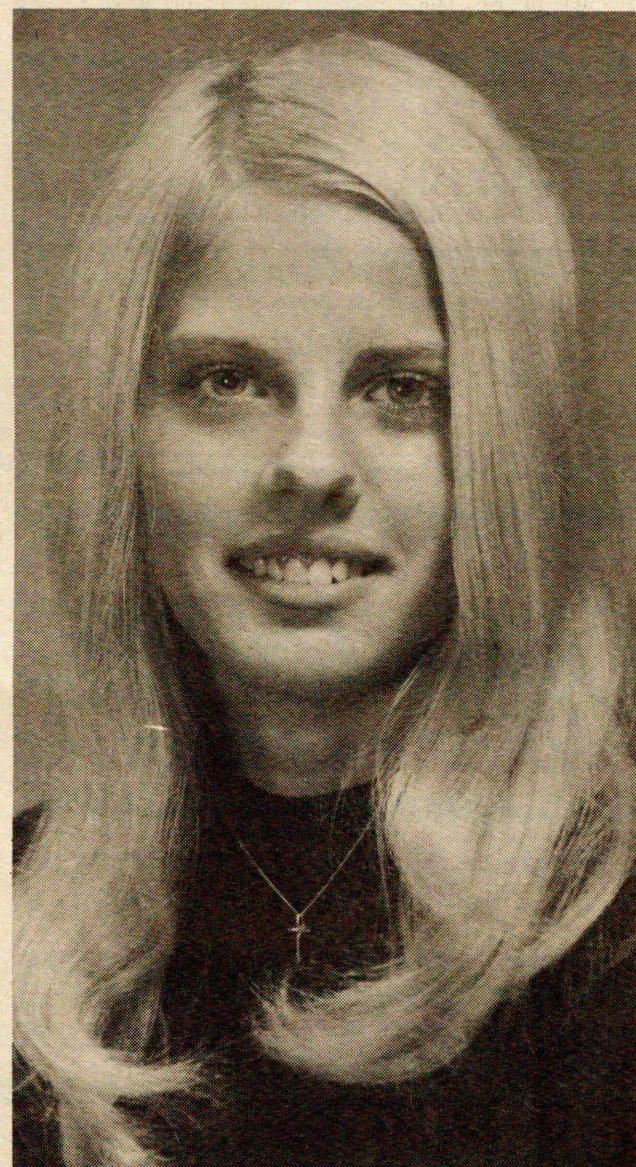

The bride's mother was dressed in a light pink organza dress and coat ensemble with matching shoes and hat. The groom's mother was dressed in a light blue dress with matching hat and shoes.

A wedding dinner was served in the Fellowship Hall of the church, followed by a lawn reception at the home of the bride's parents. Mrs. Louise Albers, the bride's grandmother of Milwaukee, Wis., was here for the wedding.

After a brief wedding trip to St. Louis, Mo., the bridal couple will be at home in Greenwood, Ind. The bride is a 1969 graduate of Valparaiso University and the groom is a teacher at Calvary Lutheran School at Indianapolis, Ind.

AUGUST BRIDE -- Mr. and Mrs. Dorr Henry, 141st and Oak Streets, Lockport, announce the engagement and forthcoming marriage of their daughter, Doreen Marie to Charles Joseph Botka, son of Mr. and Mrs. Edward Botka of 403 Connor Ave. Wedding ceremonies are set for August 2 at St. Patrick's Church in Lemont. Reception will be held in the Lockport Moose Hall. Bride-to-be is a 1968 graduate of Lockport Central High School, and is presently employed at C. F. Braun and Company. Botka is a 1967 graduate of Lockport Central High School and presently attends Joliet Junior College, and is employed at the Caterpillar Tractor Company.

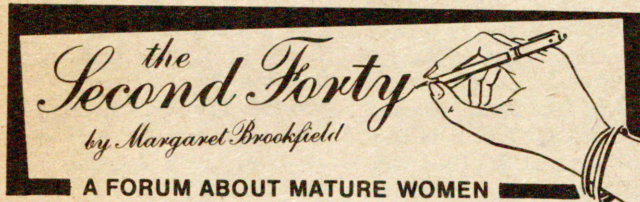

JULY BRIDE -- Mr. and Mrs. Faxon Valentine of Romeoville announce the forthcoming marriage of their daughter, Nanci Louise, to Raul L. Terragas Jr., son of Mr. and Mrs. Raul L. Terragas Sr. of Bolingbrook. Wedding ceremony will take place July 26 at 2 p.m. at St. Andrew's Church in Romeoville. Nanci is a 1969 graduate of Lockport West High School.

Dear Miss Brookfield:

I ordered a wig by mail. Well, it finally arrived and what a disappointment! I look like someone who should be riding a broom on Halloween night, but the manufacturer won't take it back and give me a refund. I thought of ordering another one in a different color. But my husband is against it. What have you got to say?

A.D., Talladega, Ala.

Dear A.D.:

Here's some advice to paste in your wig band: in buying a wig, always deal with a local wig maker or dealer, department store or beauty salon. The best way to choose a wig is to try on many different ones, for style and color. When you buy a wig by mail, according to a spokesman for the National Better Business Bureau, you do so at your own risk. Among the drawbacks is the customer's inability to discern whether the "real" hair advertised is human or animal hair. Also, color can only be matched approximately, even if a sample is sent.

A leading wig manufacturer advises that a wig closest to your natural hair color or a shade lighter and styled similar to your most flattering hair-do is frequently the most becoming. He also advises women to curb their desire for a drastic color change until they buy their second or 'fun' wig.

However, for the sake of marital harmony, I would suggest you avoid any mention of a second or 'fun' wig when you discuss this subject with your husband.

Second Menopause

Dear Miss Brookfield:

I am a 45-year-old widow with three grown children. About 10 years ago, I had a hysterectomy. Afterwards, I went through an artificial change of life, requiring medical care and the hormone, estrogen, to combat the effects. However, I now think I am undergoing the same symptoms. Is this possible? If it isn't a second menopause, could it be a mental disorder?

M.T., Maplewood, Minn.

Dear M.T.:

Even with a hysterectomy, medical authorities tell us that you may be going through the symptoms of the menopause for the second time. These symptoms can and do recur, up to the age of 70 or 75, in women with or without your surgical history. Talk it over with your physician. If your complaints are menopausal, estrogen replacement therapy, as you know from experience, can relieve them.

Long-Haired Teenagers

Dear Miss Brookfield:

Help! I am the mother of a teen-age son whose hair is beginning to look like Robin Hood's. He refuses to get a hair-cut claiming that all his friends are now wearing their hair long. I like a boy to look like a boy. My husband tells me to ignore the subject and eventually our son will "outgrow this stage." Maybe he will but I will be climbing the walls by that time. How do other mothers solve this problem? Any suggestions?

M.R., Portland, Ore.

Dear M.R.:

Yes, calm down. If all your son's friends are avoiding the barber, you're fighting a losing battle. Your husband may be right. Meanwhile, console yourself with this thought: your son will outgrow the teen years, and undoubtedly, the need to assert his growing maturity with his present hair style. You say that you like a boy to look like a boy, but before you climb the walls, look at some old history books--men wore their hair long and wigs were even fashionable. Remember George Washington?

Have you a problem as a mature woman, or with one? For advice and help write to Margaret Brookfield, Graphic Newspaper, 200 Main St., Lemont, Ill. 60439.

Celebrate Birthday

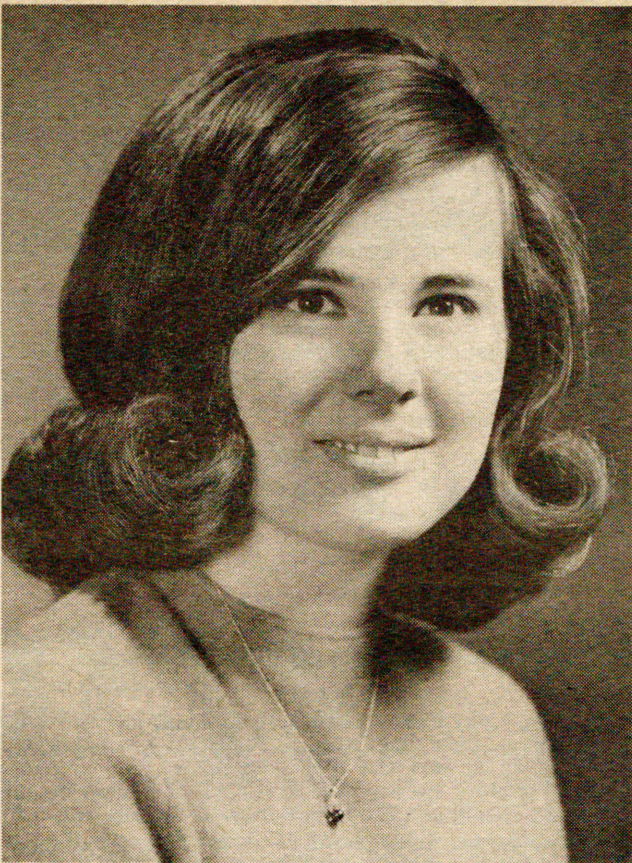

LEMONT -- A surprise 75th birthday party was given June 21 in honor of Mrs. Mary Dastych of 524 Ledo St., Lemont.

The party, given by her four children, was held at the home of Mr. and Mrs. Howard Ludwig of Rt. 1, 131st St., Lockport. Mrs. Lidwig Esther is Mrs. Dastych's daughter. Others at the party were Mrs. Joseph (Dorothy) Tasharski of 526 Ledo St., Mrs. Sidney (Angeline) Ercoli of 522 Ledo St., and Edward Dastych of 524 Czacki St., all of Lemont.

A total of 50 relatives and friends from Chicago, Joliet, Lockport and Lemont helped celebrate. A huge birthday cake with 75 candles, a gift from close friends, and a bouquet of red and white roses decorated the buffet table.

AUGUST WEDDING--Mr. and Mrs. George Hamilton of 448 Oak St. Lockport, announce the betrothal and approaching marriage of their daughter, Linda, to William Shepherd, son of Mr. and Mrs. Alan Shepherd of Rt. 7. Wedding is set for Aug. 2 at 4 p.m. at Homer Congregational Church. Reception will be held at the Lemont VFW Hall, 90 New Ave., in Lemont. Invitations have been issued but all relatives and friends are invited. Linda is a 1969 graduate of Lockport Central High School. Shepherd attended Lockport Central and is presently employed by Vulcan Material in Joliet.

BETROTHED— Mr. and Mrs. Peasavento of 145th St. Lockport, announce the engagement of their daughter Terry Ann, to Richard Schoppe, son of Mr. and Mrs. Fred Schoppe Sr. of 1323 Washington St., Lockport. Wedding has been set for Aug. 9 at St. Dennis Church at 11:30 a.m. Reception will be held at the White Fence Farm at 1 p.m. Invitations for the wedding and reception will be issued. Terry is a 1966 graduate of Lockport Central High School and is presently a senior at the College of St. Francis. Schoppe is a 1965 graduate of Joliet Catholic High School and is presently employed at the Stonehouse Electric Company. (Stephenson photo).

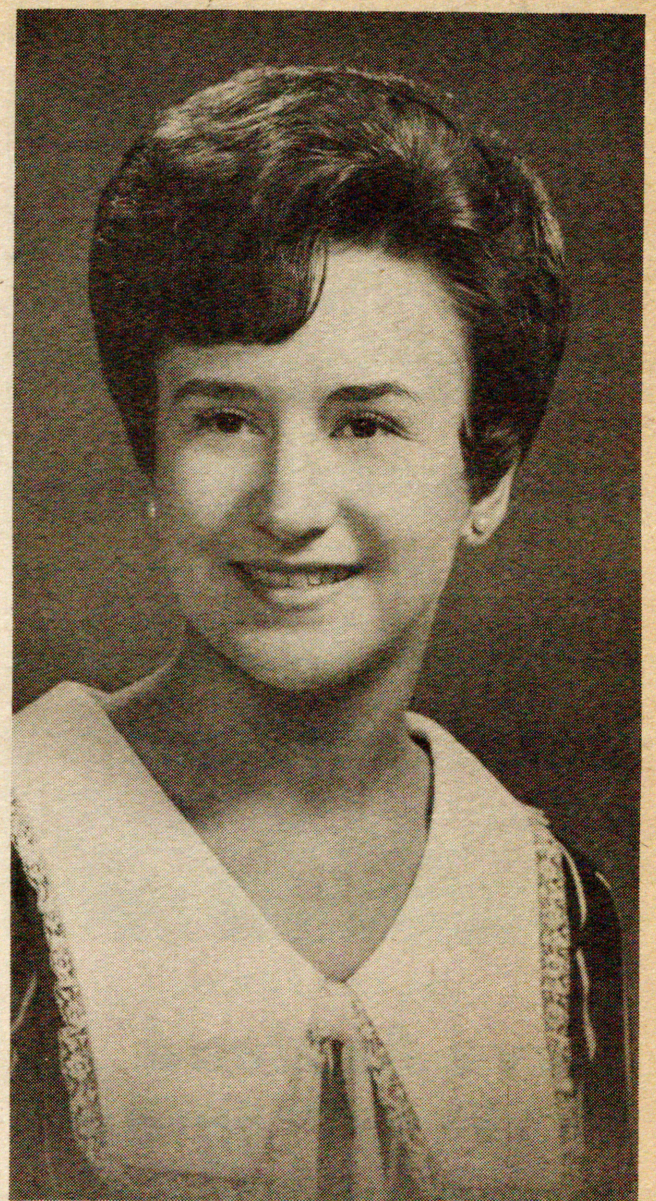

SARAH SIPPEL — Mr. and Mrs. Richard E. Sippel, La Porte Road, Mokena announce the engagement of their daughter, Sarah, to Ronald Allen Crisp, son of Mr. and Mrs. Vernon Crisp of 414 Shady Lane, Mundelein, Ill.

Miss Sippel is a 1965 graduate of Lincoln-Way Community High School and has just received a bachelor of science degree in elementary education from Eastern Illinois University.

Mr. Crisp is presently enrolled at Eastern with one quarter yet to complete before receiving a bachelor of science degree in business.

The wedding will take place Sunday, Aug. 10 at St. John's United Church of Christ, Mokena.

Lockport Couple Exchange Vows

LOCKPORT—Bells of the First Congregational Church of Lockport, announced the double ring marriage ceremony on June 7 of Miss Barbara Ann Lawrence and George M. Kurey, both of Lockport.

Rev. George A. Moulthrop officiated. The bride is the daughter of Mr. and Mrs. Grant Lawrence of 907 Adams St., and the groom is the son of Mr. and Mrs. George Kurey of 312 Nobes Ave.

Altar was decorated with arrangements of orange gladioli mixed with miniature mums, and flanked by two candleabrae with lighted white tapers. James Stephenson Jr. was the organist. Guest soloist was Harry Adams of Bensenville, who sang

"The Twelfth of Never" and "The Lord's Prayer."

Escorted to the altar by her father, the bride wore a toe touching skimmer gown of white crepe. A wedding ring neckline was decorated with tiny crepe buttons, as were the long puffed sleeves of schiffli embroidery.

Sides of the gown secured a wide vertical band of embroidery. A detachable panel train of crepe and schiffli embroidery was secured under a large obi bow. Her headpiece was an abstract bow of crepe decorated with schiffli flowers and attached to a tiered veil of silk illusion.

Her only jewelry was a silver cross necklace, a gift from the groom. She carried a white lace edged handkerchief carried by her paternal

great-grandmother at her wedding.

Her bouquet consisted of a cascade of white jack frost roses, stephanotis, lily of the valley, and ivy flecked with peach roses and centered by a removable corsage of three jeffett orchids.

Miss Sandra Lawrence served as maid of honor. Bridesmaids were Miss Denise Engstrom, Mrs. Robert Mack and Miss Sue McConnell. Each attendant wore toe-touching gowns of apricot chiffon.

The semi-empire fitted bodice, with a Venice lace collar, was decorated with tiny covered buttons, as were the long puffed sleeves. The A-line skirt was overscored with a full swing chiffon skirt. Each carried open white parasols, which were decorated with miniature orange carnations.

Long orange satin streamers attached to the parasols matched the looped bows and streamers worn in the girls' hair.

Mickey Ripley of Perry, Okla., served as best man. Groomsmen were Ron Bailey, Robert Mack and David Goodman, all fraternity brothers of the groom.

For her daughter's wedding, Mrs. Lawrence chose a mint green three-quarter length coat over a sleeveless mint green shift. She wore a matching veil hat and accessories. A three-quarter length yellow bubble collared coat over a yellow sleeveless shift was chosen by Mrs. Kurey. She also wore a matching veil hat and white accessories. Each mother wore a white jeffett orchid corsage.

Honored guests included the bride's maternal grandmother, Mrs. Viola Sherman, and great-grandmother, Mrs. Louise Boe, and the groom's grandmother, Mrs. Ann McCarley. All wore white carnation corsages.

A reception for more than

200 guests was held in the church fellowship hall. Mrs. Walter Purdy Jr. attended the groom's cake, and Mrs. Raymond Seeley, sister of the groom, had charge of the guest book. Other servers were Gail Appleby, DeDe Dodson, Renai Higgins, Sally Cultra, and Bari Johnson, all sorority sisters of the bride.

Serve As Head Cooks In Program

Mrs. Elizabeth White, 2132 Englewood, Lockport, and Mrs. Ezma Hunter, 1219 California Ave., Joliet, were "head cooks" for a recent program assistant training session. The other seven "neighbor teaching neighbor" nutrition program assistants in the Forest Park-Fairmont area joined with

them at noon in trying the new recipes, new foods, and meal planning ideas.

Mrs. White and Mrs. Hunter planned the meal around the main dish of meat or meat alternate as recommended by nutritionists.

The University of Illinois Cooperative Extension Service is sponsoring this nutrition program in Will County under the direction of Mrs. Bea Bagby, Will County Extension adviser. Expansion of this "neighbor teaching neighbor" program is expected to take place soon in south Joliet.

Fracaro-Pastore Exchange Vows

LOCKPORT--White gladiolas with blue daisies decorated the altar of St. Dennis Church of Lockport, for the June 21 wedding of Miss Patricia Lynn Fracaro to John Joseph Pastore.

Rev. Mark Fracaro, cousin of the bride, officiated. The bride is the daughter of Mr. and Mrs. Dominic Fracaro of 620 Tenth St., Lockport. The groom is the son of Mr. and Mrs. Charles Pastore of 1708 Broadway, Crest Hill.

Organ music and vocal arrangements were provided by Mrs. Shirley Kiltz.

The bride, escorted to the altar by her father, wore a floor-length gown of white imported organza with light blue embroidered flower medallions, trimmed with light blue file trim. The gown featured a high bateau neckline, empire skimmer styling, no sleeves, and chapel length train.

A matching mantilla of silk illusion in a cathedral length, trimmed with light blue flower medallions and file trim was worn. A bouquet of white daisies and

babies breath was carried.

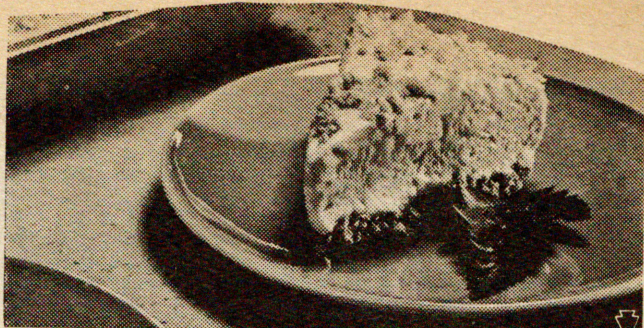

Mrs. James Santerelli served as matron of honor. Bridesmaids were Mrs. Ronald Fracaro, and Mrs. Eugene Fracaro, sisters-in-law of the bride. Each wore waltz length gowns of sky blue dotted-swiss, an empire bodice with cap sleeves and a square neckline. Down the back of the dress and around the hemline a ruffle of dotted-swiss was secured by an obi bow.

SuAnne Pastore, sister of the groom, served as flower-girl. She wore a gown similar to those of the other attendants, and wore a head-band of blue daisies and pink roses.

Charles Robert Pastore, nephew of the groom, served as ring-bearer.

Best man was Edward G. McGuire. Ushers were Charles Pastore Jr., brother of the groom, and Brian R. Melton.

A pre-nuptial shower was given by Mrs. Shirley Pastore, Mrs. Linda Pastore, Mrs. Virginia Santerelli, Mrs. Fran Fracaro, Mrs. Donna Fracaro.

Now's the time to think about refreshing summer desserts. And refreshing it will be when you treat your family to Lemon Freeze! Atop a Corn Flake Crumbs Crust is a creamy blend of sweetened condensed milk lightened by beaten egg whites and delicately flavored with lemon juice. If your Lemon Freeze is frozen very hard, try setting the ice cube tray on a hot towel for a few minutes before cutting.

LEMON FREEZE

2 cups Kellogg's® Corn Flakes or	2 tablespoons sugar
½ cup Kellogg's Corn Flake Crumbs	¼ cup regular margarine or butter, melted
* * *	
1½ cups (15-oz. can) sweetened condensed milk	½ cup lemon juice
	2 eggs, separated
	3 tablespoons sugar

If using Corn Flakes, crush into fine crumbs with rolling pin. Combine Corn Flake Crumbs, the 2 tablespoons sugar and margarine in ice cube tray; mix well. Reserve 2 tablespoons of Crumbs mixture for topping. With back of tablespoon press remainder evenly and firmly in bottom of ice cube tray. Chill.

In medium size mixing bowl, combine sweetened condensed milk and lemon juice; stir until thickened. Add egg yolks; mix well. Beat egg whites until foamy. Gradually beat in the 3 tablespoons sugar and continue beating until egg whites are stiff, but not dry; gently fold into condensed milk mixture. Spread evenly over Crumbs Crust; sprinkle with reserved Crumbs mixture.

Place on bottom of the freezer compartment of refrigerator, taking care to allow air circulation around the tray to assure freezing. Freeze 6 to 8 hours or until firm. Cut into pie wedges or bars to serve.

United Methodist Church Sets Outdoor Services

Delores Anderson
Telephone 485-2365

Now that the spring rains are over, the twice postponed outdoor service in the United Methodist Church camp grounds, is planned for Sunday, July 20, at 9:30 a.m.

The service will be informal, following the tradition of camp meeting days. All attending are asked to dress for the outdoors. Most classes of the church school will probably participate in the service.

Those attending are asked to bring a picnic basket, for the dinner which will be at noon. Each family will furnish their own beverage and any portable tables or chairs that you might have.

Games and activities will be under the direction of the trustees who have some "group projects" outlined.

A summer outing is being planned by the Senior MYF of the United Methodist Church of New Lenox, for

July 12 and 13 at Lake Webster, Indiana. Water front sports will highlight the activities as well as some planning sessions for the fall youth program.

Plan to get your tickets now for the chicken dinner to be served at the annual Country Fair, Aug. 17, at Grace Episcopal church grounds in New Lenox. Dinner will be served from 12 to 4 p.m.

The Women's Guild of Grace Episcopal church will meet July 10 for an evening meeting at 8 o'clock at the home of Mrs. Alice Dubia, Crystal Lawns. Mrs. Judy Carr will be her co-hostess. Plans will be made for the annual fall rummage sale.

Cub Pack 49 with their families enjoyed a Roller Skating party at the high school recently. On Friday, the Cubs with members of their families enjoyed a bus trip to Chicago where they

attended the Cubs-St. Louis Cardinals Baseball game. Upon their return home, they all went to Birdhaven for refreshments, and an award ceremony. Cub awards were given to Bobby

Eller, wolf; George Fox, wolf and recruiter patch; Phillip Glavin, denner bar and sportsman pin; Scott Cooper, athlete's pin; Bruce Swanson, bear badge, gold and silver arrow points; Tim Coleman, bobcat pin; Danny Donnelly, bobcat pin; Kirk Wiedman, bobcat pin; Tal Manthy, athlete and sportsman pin; Joel Wilmsen, athlete and sportsman pin. Bobby Rynes and Neil Olroyd were inducted into Jerry Allen's Webelos den.

The first meeting of the administrative Board under the new organizational structure of the United Methodist

Church will be Tuesday, July 22 at 8 p.m. The board comprises members elected by the Charge Conference to represent all areas of the church's life and interest. John Francis is chairman. The board reviews and authorizes plans in the church program. A sound film "Four Cozy Walls" will be viewed.

Reports from committees will also be on the agenda.

Free checking accounts were being offered to senior customers of the New Lenox State Bank, as of July 1. Senior customers are those who have celebrated 65 birthdays or more. They must purchase their own checks. For an average depositor this will be about \$2 per year.

Vacation church school will be at the Methodist Church, mornings from 9 to 11:30 for boys and girls four to twelve years of age. Class-

es will begin on Wednesday, July 16. There will be ten sessions. The studies are designed for growing experiences at the level of the child's age of interest and needs. Mrs. Anita Batson and Mrs. Florence Scapardine are co-chairmen for the school. They have organized the staff and will be directing the activities.

There will be a planners meeting on July 9 at the home of Frank Kallis, 10 Ruth Drive, at 7:30 p.m.

Mr. and Mrs. Dale Anderson, Mr. and Mrs. Len Anderson and Miss Dotte Anderson spent the holiday weekend in Saugatuck, Michigan with her father, A. W. Walsh.

The annual Gillette family reunion will be held in the Marley Park on July 13,

with a pot luck dinner at 1 o'clock.

The July meeting of the New Lenox Garden Club will be July 10 at 10:30 a.m. As guests at the home of Mrs. Murley Wheeler of Plainfield. Members will bring their lunch and enjoy it as a picnic on the lawn. The afternoon will be spent at Sallenger's Shop in Plainfield.

Babies born in the month of June to Mr. and Mrs. Walter B. Gougar, III, 1224 N. Cedar Road, New Lenox, Ill., boy, June 6th.; Mr. and Mrs. Patrick Regis, 1143 Vine St., New Lenox, Ill., boy, June 14.

Mr. and Mrs. Sheldon Pankow, Lincolnwood, and family have returned home from a two-week vacation in Montana.

Girl Scouts Will Attend Camp

Cub Scouts Outing At Tampier

Marie Hovi
Telephone 479-5740

The Arbury Hills Cub Scouts had the first of their summer outings. It was at Tampier Slough on Wolf Road and 131st Street.

A good crowd showed up for the day of family fishing. The weather man cooperated and produced a bright sunny day.

Romeo San Sasti received

the ribbon for having caught the most fish, and Kenneth Honnicut received the other

Arbury Hills

ribbon for having caught the biggest fish.

The next outing for the Cub Scouts will be Saturday afternoon, July 26 at the Mokena Park beginning at

2 p.m. Cub Scouts who wish to hike to the Park should meet at the home of Les Daniels on Walnut St. at 10 o'clock.

Mothers, start thinking about some easy to fix meals, since the Cubs are supposed to prepare the meals themselves for the families.

The A Team played a home game against Manhattan last week and lost 14 to 9.

The Pony Team had hap-

pier results, when it traveled to Peotone. Our boys returned home that night complete with smiles after defeating Peotone by the score of 8 to 1. It was particularly pleasing after our team had been beaten by Peotone at their last meeting here in Arbury Hills.

Plans Frankfort Summer Library

FRANKFORT -- Arlene Santoro, librarian of the Frankfort Public Library, has announced plans are complete for the summer reading program.

Two separate programs will be available to all resident children of the Frankfort area.

First, a story hour will be on Thursdays, July 10, 17, 24 and 31. Children 5 to 7 years of age are invited at 11 a.m.

Judith McMillan and Vireginia Osmus, both of Frankfort, will conduct the separate reading hours. A different format will be used

for the different age groups.

Also a reading achievement program began last week and all children of the third grade level or older are eligible.

To commemorate America's success in the space program the emphasis will be on science, and the children are expected to read books of their own selection in this field, but any book of non-fiction may be substituted. The children will be responsible for keeping their own record of books read, and every child who reads 16 books during the month of July will receive a certificate of achievement.

Mrs. Santoro also said the library is now air-conditioned.

A new six-cent stamp commemorating the Apollo 8 mission has been issued by the postoffice.

INSURACHAT

CHUCK PEYLA

D.O.T.

... stands for the Department of Transportation. The Federal Government is making studies of the insurance industry through D.O.T., H.U.D. and Senate Hearings. Objective studies may suggest areas of revision and correction, but, if these studies imply that the insurance industry is responsible for high rates and restrictive underwriting practices, then perhaps we should ask these questions:

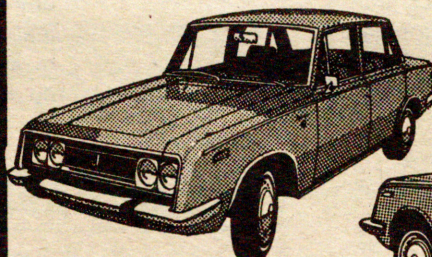

1. Who is responsible for highway design?
2. Who allows the drinking driver to drive?
3. Who is responsible for the inflationary spiral which has raised auto repair costs and hospital charges over 50% in the last ten years?
4. Who allows outlandish awards to auto claimants?
5. Who is to blame for the increasing rate of crime?

The answer to all of these questions is government in one form or another, and we, at ILLINOIS SECURITIES CO. are anxious to cooperate with both government and industry in attempting to solve such problems.

Merrick Wins Lehmann

MOKENA - David Merrick of Mokena, a Lincoln-Way sophomore who holds records for distance events in prep track, won the inaugural Fred G. Lehmann 10-Mile Run, as part of the Fourth of July festival sponsored by the Mokena Lions Club.

The run has been given the name of the late Fred G. Lehmann, former secretary of the Mokena Lions and frequently referred to as Mr. Lion. The event was arranged by Joe Rodriguez, Lincoln-Way track coach and himself a Mokena resident.

The committee in charge of the Mokena Fourth Festival plans to make the run an annual event.

There were 18 entries in the inaugural, which was started at the statue of Robert Pilcher in the park that bears his name on the east

edge of Joliet.

The course was through the park to Gougar Road on Gougar to Francis Rd. and east on Francis to the road that leads to Lincoln-Way High.

The distance from the start to the finish line, in the vicinity of the flagpole in Mokena Community Park, lacks seven tenths of being 10 miles.

That extra seven-tenths was put in on the school road and then the runners came on to Mokena and along Front St. to Mokena St., thence south to the park and the finish.

Al Carlson, another Lincoln-Way runner who likes distance, was leading Merrick until about the last quarter mile, but in the sultry heat the effort was too much and he collapsed. He was placed in a car at the park in the shade.

In a short time he had recovered and was getting around on his own power.

"Dave told me I was running too fast," Carlson told

Coach Rodriguez, "but I had to go fast."

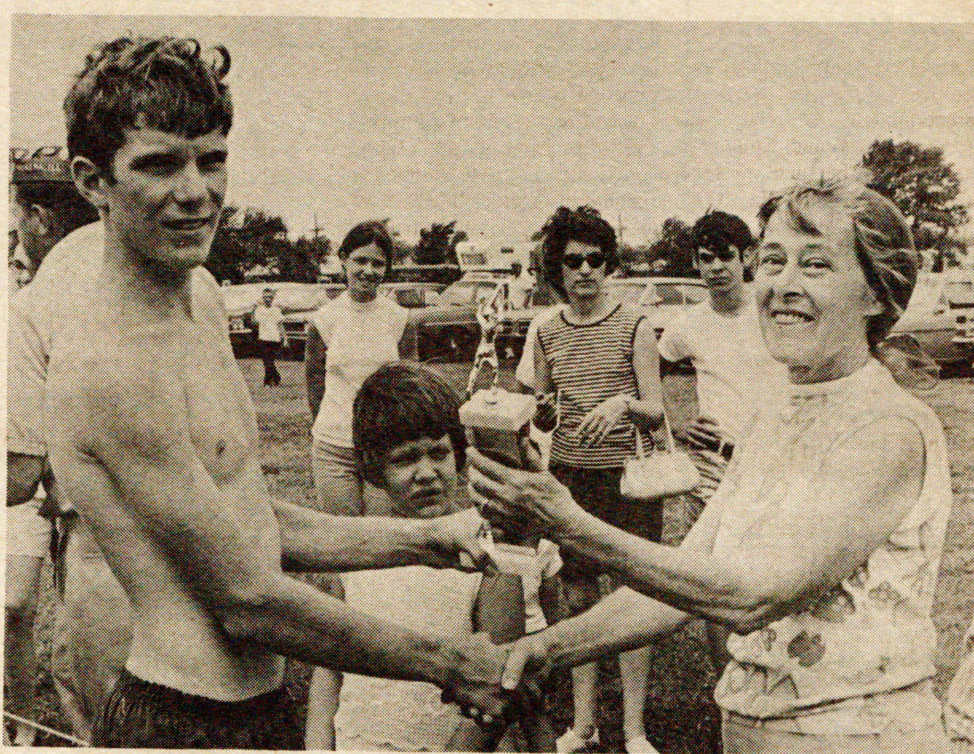

Merrick finished all by himself with a time of 62 minutes 30 seconds.

"I had thought previously the winning time would be around 55 minutes," Rodriguez said, "but in this heat around 62 is good."

Billy Simpson, L-W, was second with a time of 63 flat. Steve Mangun, L-W, was third in 66.48; Billy Been, L-W, fourth in 67.45; Jerry Tietz, Richards High, Oak Lawn, fifth in 67.55; Rick Loucks, L-W, sixth, in 70.20; Rick Adamski, Oak Lawn, seventh, in 73.5; Tom Booble, L-W, eighth, in 76.30; Mark Lewis, Oak Lawn, ninth, in 77.5. In 10th place was Larry Erickson, L-W, in 89.19.

Two boys who finished disqualified themselves. In all 14 starters reached the finish line.

The temperature at the time of the run was in the upper 80s but the humidity was 90.

DAVID MERRICK, Mokena, winner of the Fred G. Lehmann Memorial 10-Mile Run on the Fourth of July was presented with the victor's trophy by Mrs. Lehmann, widow of the former secretary of the Mokena Lions Club for whom the race was named.

Title I Granted

LOCKPORT--Valley View School District 96 received a \$13,173.25 Title I grant.

Ray Page, Illinois Superintendent of Public Instruction, announced that School District 96 was one of nine additional schools granted the Title I projects which totaled \$124,067.93.

SPORTS

Park District Sponsors Summer Youth Program

By RUSS SANDBERG

LEMONT -- The Lemont Township Park District sponsored summer youth recreation program is now in full swing. Monday, June 23 was the starting date, and it will run through Friday, Aug. 8.

A total of 130 youngsters are participating in the day phase of the program, while 120 have enrolled for the evening sessions.

All types of team and in-

dividual sport activities are included in the program put together by director Jan Cralle. Included in this listing are tennis, golf, softball, basketball, soccer, weight lifting, kick ball, women's track, volley ball, swimming and fishing.

The excellent athletic facilities as provided by Lemont High are used for all events except fishing and swimming. Later in the sum-

mer, a big league baseball game will also be on the agenda.

Assisting Cralle is Bob Voss, Lemont High frosh-soph football and basketball coach. Student assistants are Barbara Kendzora, Steve Pociask and Mike Hennebury.

Incidentally, Cralle mentions the point that all youngsters between the ages of 9 to 18 who have not as yet enrolled, can still do so by

contacting him at Lemont High between the hours of 1 to 4 p.m. and 6:30 to 9 p.m. Monday through Friday.

The Lemont Township Park District sponsors both summer and winter recreational programs for our youngsters, but they are also aware of the fact that a well balanced program encompasses activities for both young and old.

With this thought in mind, the acquisition of property either by lease or sale is of primary importance. Thus, in the not too distant future, they hope that areas will be opened up which will serve the needs for all Lemonters.

Mike Bernatowicz, a mainstay on the strong 1969 Lemont High varsity golf squad, earned additional honors last week by winning the 24th annual Chicago Jaycee Junior tournament.

Playing at Jackson Park, Mike shot a fine round of 72 to capture top honors in the 15 through 17 age division, and will now represent the entire Chicago area in the State Jaycee Junior tourney, July 21-23, at Chevy Chase in Wheeling.

The original sponsor of course is the hard working and dedicated Original Lemont Jaycees, an organization which also serves the community through various facets, all tended toward the general well being of Lemont and all of its citizens.

Mike is another in a long line of top flight golfers who have served under the excellent guidance of Lemont High golf coach John Jones. With this fine background, it is sure he will give a good account of himself in the finals at Chevy Chase.

JUNIOR SECOND baseman Jim LaMay of Lemont, has been awarded his third baseball letter at Culver-Stockton College in Canton, Mo. LaMay, bothered by illness and an eye injury, appeared in 15 of the Wildcats' 25 games and posted a .292 batting average. He is the son of Mr. and Mrs. James LaMay and a graduate of Lemont Township High School.

Mokena Park Dist. Plans Net Tourney

MOKENA--The Mokena Park District will hold its second annual tennis tournament July 13 through July 20 on the park courts, it was announced by Sharon Stuckey. She has been giving free tennis lessons this summer.

Entry blanks are available at the park courts, at Mokena Sales, 11104 Front St., Mokena, and Braun Sales, Lincoln-Way Shopping Center, New Lenox.

The tournament is open to any resident of the Lincoln-Way High School district. Those who would enter had better hurry. The absolute deadline for filing en-

tries, Mrs. Stuckey said, is this Saturday, July 12.

The blanks may be picked up at the Mokena tennis courts between 9 a.m. and 12 noon and at the two mercantile firms during store hours.

The entry blanks set out the various divisions one may enter in the tournament. The divisions are made according to ages.

Trophies will be awarded all first place winners.

A total of 135 have been taking advantage of the lessons offered by Mrs. Stuckey this year.

SPORTING A 7 lb. 9 oz. musky, Walter Gougar of New Lenox, eyes one of the several trophies that his catch has qualified him to win. The contest is sponsored by the Hayward Lakes Resort Association in Wisconsin. The fish taken on a minnow in the Hayward Area's Big Round Lake won a fisherman-of-the-week award and prizes for Gougar. This topped off Gougar's vacation by being able to tell about the one that didn't get away.

Help School As Well As Golf Swing

NEW LENOX -- Providence High School students, determined to keep the school open, never pass up an opportunity to earn money for the operating and maintenance fund.

Senior Citizens Score Top Bowling Series

LOCKPORT -- Lockport Park District recently announced that the senior citizens' bowling league had the highest three game series ever bowled.

Highest bowlers were members of the number two team, consisting of Captain Otto Zuelke, Louis Lombardo, Anna White and Veronica Ganz, a 2,389 series.

University of Kentucky is at Lexington.

ance fund.

With the golf season in full swing a group of Providence students has established a driving range. The acres of athletic fields behind the school makes an excellent fairway that will accommodate the longest drivers.

The range is now open seven days a week, from 8 a.m. to dusk. Instruction for beginners is available, but reservations must be made. Most golfers bring their own clubs but equipment is available is desired.

Providence High--a drive and a pitch east of Gougar Rd. along U.S. 30--is drawing from golfers using Woodruff course. They can get in some practice before starting to play or stop in enroute home in an endeavor to correct whatever it is they were doing wrong.

All proceeds from the range are donated to the school.

Climax Week With S.F. '100'

WILLOW SPRINGS -- Santa Fe Speedway's fantastic five consecutive days of entertainment is climaxed by Saturday's and Sunday's stock car spectacular featuring the "Santa Fe 100" on July 11.

Also included with the 50-mile late model race on the weekend docket is the WJJD disk jockey derby on July 12, a make-up date for the postponed race scheduled for a couple of weeks ago.

The "Santa Fe 100" will provide defending late model co-champion Dick Nelson, of Chicago, with the opportunity to take over first place. A win for Nelson coupled with a bad showing by present point leader Don Waldvogel of Lockport, would catapult Nelson to the top spot. The 100-lap race, along with the 30-lap sportsman main event, will be battled out on the half-mile clay oval. Other late model contenders who can move up in the point standing with an impressive "Santa Fe 100" showing include Bob Kelly from Wheaton, Marty Ridderhoff of Elmhurst, Bill Hollis out of Plano, Larry Jackson of Lyons and Ron Ward from Oak Forest.

The sportsman division presently demonstrates a keen, highly-competitive skirmish as Lee Byers, Chicago, has vaulted into first place for the first time in his career. Byers' lead is one scant point over Larry Robb of LaGrange, who relinquished the lead for the first time in months. Only a short while ago, Robb had a comfortable advantage and appeared on his way toward an easy sportsman crown. Red-hot Byers has, temporarily at least, busted Robb's dream. Other sportsman pilots who are moving quickly include Don Robinson of Chicago, Ron Fisher from Westmont, Tom Penny from La-

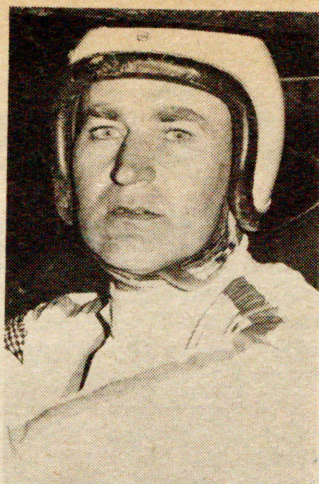

Grange, Bill Bottoms of Justice and George Charles from Downers Grove.

Another unpredictable spectator race is an extra-added attraction to Sunday's regular program. WJJD disk jockeys who vie for top honors in that racing (?) spectacular on Sunday include John Trotter, Stan Scott, Rich Osborne and Don Chapman.

Santa Fe Speedway headlines fast-moving stock car races every Saturday and Sunday night throughout the racing season. Motorcycles zoom off the starting line on Wednesday nights at 8:30 P.M.

Santa Fe Speedway is located at 91st and Wolf Rd.

Santa Fe Speedway point leaders in the sportsman division include: Jerry Kling driving number 89, with 35

DON WALDVOGEL

points has the number eight position; Dave Lovelace, driving number 52, has 15 points and the 17th position; Smoky Shelton, in the 18th position driving number 71, has 11 points; Don Rego, also with 11 points, holds the 19th position, driving number 10; and Al Madden, driving number six, holds the 20th position with eight points. All of these drivers are from Lemont. Waldvogel of Lockport, still leads the late model division with 147 points, driving number 51.

Fouls Out Baseball

ARBURY HILLS -- Weather seemed to be against the baseball program in Arbury Hills during the last week in June when an abbreviated schedule was played.

In the game against Arbury Hills and Frankfort, pitcher Frank Setter threw a one-hit no-run game. Final score was Arbury Hills 9, Frankfort 0.

On Wednesday of that week,

the old weather man intervened once more and necessitated calling the two games in the final innings. The Marzano Farm team were defeated by the Frankfort team, 9-1.

The game on the big field was called in the last inning due to the impending storm. At that time the score stood 6 to 3 in favor of the Crowder B team against the Vanderveen B team.

3 Are In Group

SOUTHWEST -- The old tradition of outdoor summer band concerts and ice cream socials in the park was revived again as the Naperville Municipal band opened its 42nd consecutive season of free concerts in Naperville Central Park.

The season continues throughout the summer until Labor Day. Concerts start

promptly at 8 p.m.

Three area residents are among the members of the band. They are Thayer Hill Jr. of 116 Beaconridge, Lemont, a sax player who has been with the band since 1958; Richard Babich of 730 Green Garden, and Karl Plumlee of Rt. 1, Box 10, both of Lockport, both tuba players.

Division Of Highways Approves Traffic Signals

LOCKPORT --Lockport City Clerk, Don Murphy, read a letter from Sigmund C. Ziejewski, district engineer for the division of Highways at the June 16 meeting of the Lockport City Council.

Letter stated that approval would be given to construct traffic signals at the intersection of Illinois Rt. Seven and Seventh St. However, the State Highway Department, due to their limited funds, is unable to participate in this improvement.

Council requested Gordon McCluskey public works director arrange a meeting with Ziejewski to discuss what percent of the total cost can be taken from the city's motor fuel tax fund, should the proposed improvements be passed by the council.

Mayor Goerge Nordstrom asked the council to act with other towns in the area in issuing a proclamation declaring that bells and whistles in the city be sounded at 1 p.m. July 1. Council approved his request.

Arthur Gunderson appeared before the council stating he had received a

letter from Eugene Korst, city attorney, informing him that his home at 815 Clinton St. had been found unsafe by the building inspector and unless action was taken by June 16 to repair or demolish the building, he was directed by the council to institute legal proceedings.

Gunderson stated that for some time he had been working out of town, and in the interim vandals had broken windows and made a bad situation worse. He stated that he agreed that in its present condition, the building is not habitable. He further stated he plans to make the building his home, and feels he now has the necessary financing to repair it, to the point that it pass any inspection. Council agreed not to take legal action until after Aug. 1. Gunderson replied that this would give him time to make necessary repairs.

Attorney Korst informed the council he had sent similar letters to Mrs. Virginia North, Albert C. Eichelberger, and Robert Scoboda.

Mrs. North, owner of the property at 420 E. 10th St.

requested in a letter to the city clerk, that the council bear with her until the end of the month, when she hopes the sale of property will be finalized.

Scoboda, owner of the property at 1509 Johnson St. informed Korst he had begun demolition of his buildings.

Eichelberger, owner of the property at 1033 State St. reports that the property is in the process of sale. Buyers of his property notified McCluskey they plan to demolish the building upon completion of the sale.

Korst suggested that the time of legal action on these properties be extended until Aug. 1, as it was for Gunderson. Council accepted his suggestion.

Public Works Director McCluskey read the minutes of the Planning Commission's meeting to the council. Planning commission recommended that they approve the plans presented by William Sabo, president of the First National Bank of Lockport, regarding three new drive-in facilities. One of the proposed windows would empty into State St., and re-

Reward Creative Effort

MOKENA -- The committee in charge of the annual Mokena Garden Club flower show congratulated all the winners of ribbons and special awards, noting that the preparation of their entries entailed a lot of patience, time and hard work, as well as creative ability.

Discuss Removal Of Rail-Arm

LEMONT -- To remove the pedestrian gates on Stephen St. crossing the tracks of the G.M. & O Railroad or not was the question discussed at the June 23 meeting of the Lemont Village Board of Trustees.

R.H. Jones, a representative of the railroad company, was present to discuss this problem with members of the board. The railroad proposed the idea of removing the sidewalk arm at the intersection of Stephen and State Sts. Jones reported that the arm had been broken and struck by trucks and autos, and was costly to keep repairing.

According to Mayor John

J. Kujawa, the board had no objections to the moving the arm, but felt that it should remain for the safety of the public. It was reported by both Mayor Kujawa and Dr. Barry Ladd, trustee, that removal of the arm might cause accidents involving elderly residents who did not hear or see the approaching trains.

Discussion was held on establishing an alternate truck route to go down Canal St. Jones stated that if the truck route was established that would remove all question of moving the sidewalk arm.

Trustees agreed to have a meeting between representatives of the railroad and the village engineer.

guard would be on duty at the drive-in during the peak periods on Friday and Saturdays. He stated that he did not want to be committed to specific times when the windows were in service. He stated that it is the bank's intention to give better and faster service to its customers, and by doing so to alleviate some of the traffic congestion now present.

McCluskey approved the installation with the following recommendations; a center line must be painted to double hold area capacity on Hamilton St., and if control device does not reduce traffic congestion on Hamilton, 9th and 8th St. to then widen it 16-feet more by removing north curb of parkway; that there be a center curb on Eighth St. exit with stop signs painted on drive before sidewalks with turn arrows; and that a new standard "no left turn" sign be installed on State St. exit and new arrows painted on driveway.

Sabo stated that McCluskey's recommendations were good, and that he was sure they would be included in the planning. Council accepted the recommendation

and plans for the new facilities.

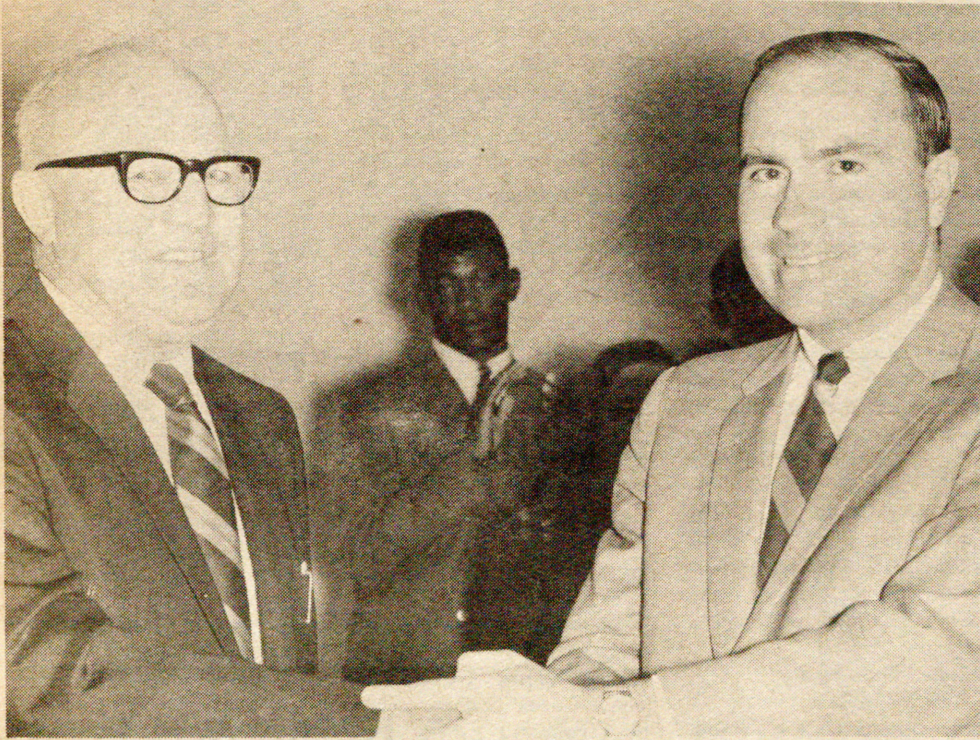

Council asked that Clifford Allen of the Commonwealth Edison Company and McCluskey investigate the need for additional street lights on Johnson and East Streets.

Alderman Robert White reported that three police officers had exceeded the \$100 per year clothing allotment. Mayor George Nordstrom stated his belief anyone exceeding the allotted figure should be responsible for the excess cost. Council approved the cost of clothing for police up to \$100 per individual per year, with any additional cost per individual be the responsibility of the receiver.

Council directed City Clerk Murphy to write a letter to Robert Drake informing him that unless a bond is put up insuring the installation of sidewalks and the sidewalks are installed by him, the zoning officer would be instructed not to issue building permits for the Drake subdivision.

Discussion on the ordinance for diagonal parking on city streets was tabled.

East High School Has Recognition Day

FRANK ROGERS, Central-East athletic director, also was honored at the East High assembly. He is being congratulated by Al McCowan, East High principal.

Drama Guild Presents 'Barefoot In The Park'

SOUTHWEST- The second Guild, well-known throughout the area for their presenta-

tions at the Totem Pole Playhouse and Orpheum Theatre, will be "Barefoot In The Park."

The light comedy by Neil Simon will run July 11, 12, 13, and 17, 18, and 19, at the Studio Theatre on the Lewis College Campus.

The trials and tribulations of a young newly married couple in their top floor walk-up apartment are laugh provoking. Director will be John Dennis.

Yet to be selected is the third production, set for Aug. 1, 2, 3, and 8, 9, and 10. Scheduled to direct the show is Bob Sullivan, of the Lewis College faculty.

Winding up the season will be the well-known musical, "Little Mary Sunshine." A spoof set in the Old West, it features friendly Indians, forest rangers, and many ladies. First weekend of the musical will be Aug. 22, 23, 24, and closing weekend is Aug. 29, 30 and 31.

Individual show admission is \$2 per person. Tickets may be obtained at the box office.

Lockport East High School held its annual recognition day assembly recently. The program was established to honor those students who have served the school and community.

Awards were presented to students for service as class officers, student council members, aides, monitors, tutors and projectionists. Awards for achievement went to winners in the national mathematics contest, speech contestants, debate contestants, honor roll students, and

honorary members of the National Honor Society.

Activity awards were presented for special achievement in science, athletics, cheerleading, journalism, dramatics and agriculture. Recognition was also given to those students with perfect attendance records.

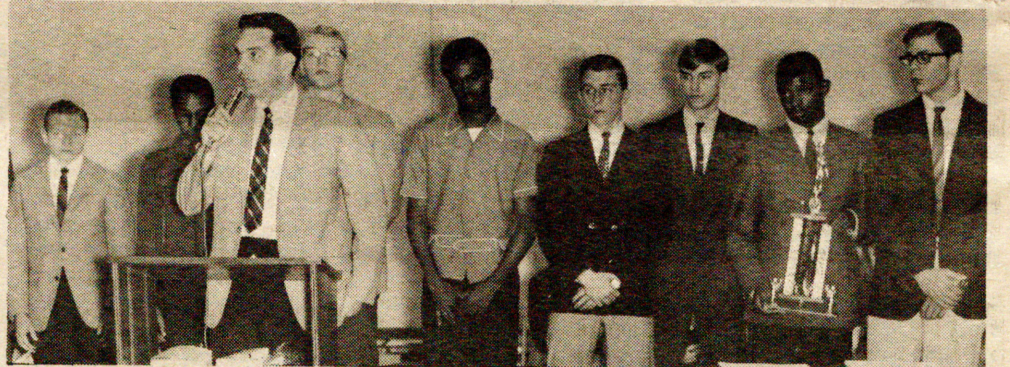

Representatives of two area women's clubs, the Creekside Garden Club and the Lockport Woman's Club, were on hand to present scholarships in the areas of

conservation and music.

In addition to the students honored, the school paid homage to two teachers at Lockport East, Miss Goerz and Frank Rogers. Miss Goerz chairman of the mathematics department is completing her 40th year in teaching. Twenty-seven of those years have been given to Lockport High Schools. Rogers, athletic director for East-Central High, is completing his 30th year of teaching. He has been on the high school staff at Lockport for 23 years.

MISS LORINA GOERZ was honored at the recent East High School recognition day assembly. She is introduced by Al McCowan, East High principal.

ILLINI 8 TROPHY was presented to East High sophomore basketball team by Robert Allen, sophomore coach. Students (l-r) are J. Morris, J. Hill, William Swenson, Jerry Walker, D. Schehr, J. Phillips, T. Saunders and C. Glynn.

Legion Post Welcomes Band Back

LEMONT--Members of American Legion Post 243 were on hand June 29 to help welcome back the award winning Lemont Township High School Band, from its trip to the Seaway Festival in Muskegon, Mich.

The Legion Post had a truck donated by Chester Spear and the famous Keepataw Parade Cannon, which was manned by Dick Flyte, commander; Al Dauenhauer, senior vice-commander; Max Hopper, service officer; and Joe Hennebry, finance officer.

ATHLETE'S FOOT, FOOT ODOR? READ THIS --

M. Sgt. Geo. Cofer writes from Southeast Asia: "I had the worst case of foot odor a person could have -- tried all the remedies I could find. Then I got T-4-L and the F.O. was gone in two days. "I had 1/2 bottle left. I saw this Sgt. limping from a bad case of running sores on his foot -- had them for years and couldn't wear regulation black socks. I gave him the last of my T-4-L and even helped him apply it. In 3 days his foot was better and in one week all clear. He was thrilled and now wears black socks." If not pleased with strong, quick-drying T-4-L, your 48¢ back at any drug counter. TODAY at

Obituaries

Clarence Splitt

Clarence V. Splitt, 45, of 415 Talcott St., Lemont, died in Chicago on June 30, and was pronounced dead at St. Anthony's Hospital, Chicago, ago.

Mr. Splitt, a truck driver, collapsed and died in his truck while parked at a loading dock in Chicago. Death has been attributed to a heart attack.

Born in Lemont, he had resided here his entire life. He served with the Army during World War II, and for the past 11 years has been a trucker with the Service Cartage Trucking Company of Lemont. He was a member of the Teamsters Local 179.

Mr. Splitt worked with the teenage bowling and baseball groups in Lemont.

Survivors include his wife, Dorothy (nee Volrath); two children, Mark and Teri; his mother, Agnes; four brothers, Theodore, Raymond, Nicholas and Daniel; and two sisters, Mrs. Edward (Esther) Paulson and Mrs. Alvin (Lucille) Spencer. He was preceded in death by his father, John.

Funeral services were conducted on July 3 at the Markiewicz Funeral Home, Lemont, with Rev. G. G. Schaller officiating. Interment is at Mt. Vernon Cemetery.

Orpha Campbell

Mrs. Orpha Mae Campbell, 70, of Aurora, died June 30 at St. Joseph Mercy Hospital in Aurora. A native of Fish Hook, Ill., she was born April 26, 1899. She was a member of the First United Methodist Church.

Preceding her in death were

her husband, Roy; a daughter, Ruth; a granddaughter; three brothers; and a sister.

Survivors include a daughter, Mrs. Raymond (Marion) Long of Sugar Grove; four grandchildren; a brother, Floyd Wooldridge of Aurora; and two sisters, Mrs. Clarence Woock of Lockport and Mrs. Ethel Regenold of Aurora.

Services were held Tuesday at 1:30 p.m. from the Healy Chapel of Aurora with the Rev. J. Edwin Cumble officiating. Burial was in Spring Lake Cemetery, Aurora.

Dorothy Harmon

Mrs. Homer (Dorothy) Harmon, 46, of 2206 1/2 Lockport Rd., Lockport, died June 30 at the Cook County Hospital in Chicago following a long illness. She had been in a coma since Nov. 1 and was moved last month from Silver Cross Hospital to Chicago.

The former Dorothy Lucas was born in Chicago and had been an area resident for 30 years. Her husband, whom she married last year, is employed by the Illinois Youth Commission.

Survivors include her husband, Homer; a son, Wilbert McClellan; her mother, Mrs. Belle Simmons; a sister, Marion Lambert; two brothers, David and Wayne Lambert Jr., all of Chicago; an aunt, Mrs. Etta Black; and four grandchildren.

Services were held Saturday at 10 a.m. from the Second Baptist Church with the Rev. Charles Holston officiating. Interment was in Elmhurst Cemetery, Joliet. Range Funeral Home of Joliet had charge of arrangements.

Register For School

LOCKPORT-- Students may register now for the second Lockport High School summer school term, according to Allan McCowan, East High principal. The second session begins Monday, July 14, and continues through Aug. 8.

Most classes will be conducted at East High School Monday thru Friday from 8 to 11:30 a.m. Tuition is \$23 for both residents and non-residents, exclusive of text-

books and lab fees.

Openings exist in second semester English, algebra and geometry for students wishing to make up credit in these areas. Students enrolling now may complete a semester of personal typing.

A course in psychology is open to juniors and senior adults.

For additional information call the high school office, 838-7300, Monday through Friday, 8 a.m. and 3 p.m.

St. Andrew's News

ROMEOVILLE--St. Andrew's Hi-Teen Club will meet Wednesday, July 9, at 7:30 p.m. at the school.

St. Andrew's Liturgy Commission will meet July 11 at 7:30 p.m. at the school. Anyone interested in working with this commission is welcome.

Holy Name Society of St.

Andrew's Church will meet Monday, July 14, at 8 p.m.

Confraternity of Christine Doctrine is sponsoring a workshop on "visual aids" July 9 from 10 a.m. to 12 noon. Workshop on "grade level psychology" will be repeated July 10 at 8 p.m. for those unable to attend the day session.

Sheriff's Force Ready

WILL COUNTY - the tendency for increased acts of vandalism in rural areas during summer months has prompted Will County Sheriff Martin J. Jackson to encourage rural residents to call his office to report suspicious incidents in their areas.

"Our deputies are on duty 24 hours a day and will supplement local authorities when the need arises," Sheriff Jackson said.

Will County residents are urged to call the Joliet office at Area Code 815-727-3622 or 729-8575. Eastern Will County residents may call the Crete substation at Area Code 312/672-5700.

Not all Will County communities have 24 hour local police protection, and Sheriff Jackson encourages residents of those communities to call his office when local police are not on duty.

Make Toll Calls By Direct Dialing At Frankfort Now

FRANKFORT -- Most Frankfort telephone callers should have noticed a difference when they dialed long distance.

Operators are no longer coming on the line to request the telephone numbers of one- and two-party subscribers after they dial.

Bud Schager, Illinois Bell manager, said the reason for the change is a complex piece of new equipment recently installed in the Frankfort telephone office on Nebraska Street.

The new equipment automatically determines a call-

er's telephone number after he dials long distance. The equipment then sends the number on to a recording machine in Joliet.

The number eventually meets up with other vital information, such as number called and length of conversation, so the call can be properly billed.

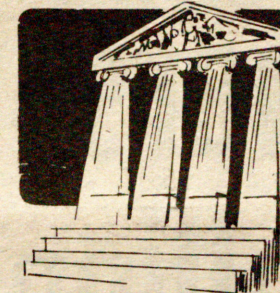

Schager said the new service is available to all one- and two-party subscribers whose telephone numbers begin with 469.

He said operators would continue to request calling numbers on long distance calls dialed direct from four-party phones. Operators occasionally may request numbers on calls from one- or two-party telephones, also, especially during peak calling periods when direct distance dialing is especially heavy, he explained.

Schager said the new service was introduced May 10 to Mokena subscribers whose numbers begin with 479. He said Illinois Bell plans to introduce the service in late July to New Lenox subscribers whose numbers begin with 485.

Lemont Collects Traffic Fines

CHICAGO--Matthew J. Danaher, clerk of the Circuit Court of Cook County, has released the figured for the fifth municipal district collected for the month of May. Lemont collected \$934 during May. During the first four months of 1969 a total of \$2,260 was collected, bringing the total for the year up to \$3,194.
